1.0 INTRODUCTION

The Carlton Lakes Community Development District (the "District") encompasses approximately 283.66 acres in Hillsborough County, Florida. The District is located within Sections 20 and 21, Township 31, Range 20.

See Appendix A for a Legal Description and Sketch of the District.

2.0 PURPOSE

The District was established by Hillsborough County Ordinance 15-6 effective March 25, 2015 for the purpose of constructing and/or acquiring, maintaining, and operating all or a portion of the public improvements and community facilities within the District. The District is divided into two (2) phases, Carlton Lakes and Carlton Lakes West.

The Board of Supervisors approved the Capital Improvement Revenue Bonds, Series 2015 Report of the District Engineer, dated October 2, 2015 (the "2015 Report"), which included costs to construct a portion of the infrastructure associated with the eastern portion of the Carlton Lakes Community Development District. Currently, 319 units are developed and platted within the eastern portion of the District and secure the Series 2015 Bonds.

The purpose of this Report of the District Engineer (the "2017 Report") is to provide the costs associated with the next phase of the District project which is certain master infrastructure improvements (inclusive of an amenity) associated with the western portion of the District as well as portion of the onsite development costs associated with Phases 2A and 2B of the western portion of the District which are planned to contain 334 lots.

Due to the platting sequencing and the fact the Series 2015 assessments get allocated to platted lots prior to the Series 2017 Bonds, approximately 229 lots within the western portion of the District will secure the Series 2017 Bonds, and approximately 105 of the lots within the western portion of the District will secure the Series 2015 Bonds.

This report only sets forth the costs associated the 229 lots that will be subject to the Series 2017 assessments as well as certain master infrastructure costs (inclusive of the amenity).

3.0 THE DEVELOPMENT AND DEVELOPER

Carlton Lakes Phases 1A, 1B1, and 1B2 have been constructed and subdivided per Hillsborough County Plat Book 126, Page 228 (dated March 3, 2016). Phase 1D1 has been constructed and subdivided per Hillsborough County Plat Book 128, Page 21 (dated October 19, 2016). Phase 1D2 has been constructed and subdivided per Hillsborough County Plat Book 128, Page 225 (dated February 3, 2017). Carlton Lakes Phases 1C and 1E totaling 106 single family detached units, are planned for completion in the future. These future phases exceed the currently approved total number of units, 320, allowed by Hillsborough County's Rezoning Petition PRS 15-0089RV (RZ-PD 13-0124), but an additional zoning modification is in the process of being prepared for the proposed additional units. Once re-zoned, the development of these lots may be funded by a future bond issuance. The Carlton Lakes West property is currently zoned for up to 412 units, and it is now planned for a total of 334 single family detached units. Thus, there are now 759 total units planned within the current District boundary.

The property owners, Eisenhower Property Group LLC and Carlton Development, LLC, currently plan to have the developer, Carlton Development, LLC (the "Developer") build the on-going 759 units within the boundary of the District in multiple phases over several years.

See Appendix B for the Site Plan showing what is being designed within the District Boundary, as well as the re-zoning General Site Development Plans for the Carlton Tract and Carlton Lakes West properties.

Both master and subdivision public improvements and community facilities are proposed.

4.0 MASTER PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES

Master Public Improvements and Community Facilities include the improvements that benefit the entire District. Detailed descriptions of the proposed Master Public Improvements and Community Facilities planned within the District are below.

4.1 MASTER DISTRICT ROADS

Intersection improvements to County Road 672 are considered off-site master improvements. These improvements include existing roadway milling, new roadway asphalt, base, subgrade, curbing, sidewalk/ramp improvements, and water main adjustments.

The Master District Road improvement will be designed in accordance with the Hillsborough County technical standards and are anticipated to be owned and maintained by Hillsborough County.

4.2 MASTER WATER MANAGEMENT AND CONTROL

The Master Water Management and Control includes the dewatering and excavation of the required stormwater and flood plain mitigation ponds and associated slope/berm backfill/grading/stabilization. As well as, filling and compacting of public property, i.e. landscaping tracts/berms, utility trenches in common tracts/easements, and/or common areas in public tracts/easements, is considered a Master Water Management and Control improvement.

The primary objectives of the master water management and control for the District are:

1. To provide stormwater quality treatment.
2. To protect the development within the District from regulatory-defined rainfall events.
3. To maintain natural hydroperiods in the wetlands and connecting flow ways.
4. To insure that adverse stormwater impacts do not occur upstream or downstream as a result of constructing the District improvements during regulatory-defined rainfall events.
5. To satisfactorily accommodate stormwater runoff from adjacent off-site areas which may naturally drain through the District.
6. To preserve the function of the flood plain storage during the 100 year storm event.

The Master Water Management and Control systems will be designed in accordance with Hillsborough County and SWFWMD technical standards. The District is anticipated to own and maintain the Master Water Management and Control systems.

4.4 MASTER SEWER AND WASTEWATER MANAGEMENT

The District is located within the Hillsborough County utilities service area which will provide sewer and wastewater management service to the District. The Master Sewer and Wastewater Management public improvements include the construction of a pumping station and force main that will connect to a functioning Hillsborough County system.

All Master Sanitary Sewer and Wastewater Management facilities will be designed in accordance with Hillsborough County technical standards. It is anticipated that Hillsborough County will own and maintain these facilities.

4.5 MASTER AMENITIES

An amenity area, including a recreation building and pool, a linear park, and pedestrian trails are planned within the community and will be owned and maintained by the District, and these public improvements are considered Master Amenities.

4.6 MASTER UNDERGROUNDING OF ELECTRIC SERVICE

Tampa Electric Company ("TECO") will supply electric service to the District along Master District Roads improvements. TECO charges fees to convert overhead lines to underground services via underground conduit, vaults, transformers, and existing pole relocation, as well as, other electrical improvements, i.e. existing infrastructure relocation due to conflicts with new construction.

It is also anticipated that the District will enter into a TECO street lighting agreement to provide street lights along Master District Roads improvements.

4.7 MASTER PROFESSIONAL SERVICES AND PERMITTING FEES

Hillsborough County and SWFWMD impose fees for construction permits and plan reviews. These fees vary with the magnitude and size of the development. Additionally, engineering, surveying, and architecture services are needed for the subdivision, landscape, hardscape, and community amenity's design, permitting, and construction. As well, development/construction management services are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

Fees associated with performance and warranty financial securities covering Hillsborough County infrastructure may also be required. These fees associated with public improvements may be funded by the District.

Master Professional Services and Permitting Fees include these fees associated with the Master public improvements listed in this report.

5.0 SUBDIVISION PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES

Subdivision Public Improvements and Community Facilities include improvements that only benefit each development phase. Detailed descriptions of the proposed Subdivision Public Improvements and Community Facilities planned within the District are below.

5.1 SUBDIVISION WATER MANAGEMENT AND CONTROL

The Subdivision Water Management and Control includes the storm sewer systems that service the Subdivision District Roads and drainage easements, common areas, and the lots. The design criteria for the District's Master Water Management and Control is regulated by Hillsborough County and the Southwest Florida Water Management District (SWFWMD).

Subdivision Water Management and Control systems will be designed in accordance with Hillsborough County technical standards. Hillsborough County is anticipated to own and maintain the storm sewer systems located within County rights-of-way and easements to the stormwater ponds.

5.2 SUBDIVISION WATER SUPPLY

The District is located within the Hillsborough County utilities service area which will provide water supply for potable water service and fire protection to the property. The Subdivision Water Supply improvements are anticipated to include looped water mains which will supply potable water and service and fire protection.

The Subdivision Water Supply Systems will be designed in accordance with Hillsborough County technical standards. It is anticipated that Hillsborough County will own and maintain these facilities.

5.3 SUBDIVISION SEWER AND WASTEWATER MANAGEMENT

The District is located within the Hillsborough County utilities service area which will provide sewer and wastewater management service to the District. The Subdivision Sewer and Wastewater Management Improvements are anticipated to include a gravity sanitary sewer system within the road rights of way that will connect to the master pumping station which connects to Hillsborough County's existing system.

All sanitary sewer and wastewater management facilities will be designed in accordance with Hillsborough County technical standards. It is anticipated that Hillsborough County will own and maintain these facilities.

5.4 SUBDIVISION DISTRICT ROADS

Subdivision District Roads include the subdivision streets within Carlton Lakes West. The Subdivision District Roads components include the roadway asphalt, base, subgrade, and curb and gutter, and sidewalks within rights of way abutting common areas.

All Subdivision District Roads will be designed in accordance with the Hillsborough County technical standards and are anticipated to be owned and maintained by Hillsborough County.

5.5 SUBDIVISION LANDSCAPING/ HARDSCAPE/ IRRIGATION

Miscellaneous landscape buffering and screening will be provided within Carlton Lakes West. Irrigation will also be provided in the landscaped common areas.

It is anticipated that these improvements will be owned and maintained by the District.

5.6 SUBDIVISION UNDERGROUNDING OF ELECTRIC SERVICE

Tampa Electric Company ("TECO") will supply electric service to the District along Subdivision District Roads. TECO charges fees to convert overhead lines to underground services via underground conduit, vaults, transformers, and existing pole relocation, as well as, other electrical improvements.

It is also anticipated that the District will enter into a TECO street lighting agreement to provide street lights along Subdivision District Roads.

5.7 SUBDIVISION PROFESSIONAL SERVICES AND PERMITTING FEES

Hillsborough County and SWFWMD impose fees for construction permits and plan reviews. These fees vary with the magnitude and size of the development. Additionally, engineering, surveying, and architecture services are needed for the subdivision, landscape, hardscape, and community amenity's design, permitting, and construction. As well, development/construction management services are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

Fees associated with performance and warranty financial securities covering Hillsborough County infrastructure may also be required.

Subdivision Professional Services and Permitting Fees include these fees associated with the Subdivision public improvements listed in this report.

These fees associated with public improvements may be funded by the District.

6.0 PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES COSTS

See Appendix C for the Construction Cost Estimate of Public Improvements and Community Facilities within Carlton Lakes Community Development District.

7.0 CONSTRUCTION PERMITTING STATUS

Construction Plans for Carlton Lakes West, Phase 1, 2A, and 2B are complete and Hillsborough County and SWFWMD have issued construction permits.

8.0 SUMMARY AND CONCLUSION

The District, as outlined above, is responsible for the functional development of the lands within the District and, except as noted above in this report, such public improvements and community facilities are located within the boundary of the District. The District plans to construct or acquire a portion of these public improvements and community facilities.

The construction cost estimate in this report is based on our review and analysis of the site plans for the development, contractor bids provided by the Developer, and the understanding that the District will construct or acquire a portion of the Public Improvements and Community Facilities described herein.

The construction cost estimate included in this report covers the portion that the District will either construct or acquire and is not a guaranteed cost. The estimated cost is based on historical unit prices or current prices being experienced for on-going and similar items of work in Hillsborough County. The labor market, future costs of equipment and materials, and the actual construction process are all beyond our control.

The professional service for establishing the Construction Cost Estimate are consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

I. REPORT OBJECTIVE

This Second Supplemental Assessment Methodology Report (the “Second Supplemental Report”) serves to apply the basis and within the benefit allocation and assessment methodology prescribed to the private lands within the District in accordance with the Master Assessment Methodology Report (the “Master Report”) dated September 22, 2015. This report will support the financing plan related to the Carlton Lakes Community Development District (the “District”) and issuance of the Series 2017 Bonds to construct the second portion of the District’s Capital Improvement Program (“CIP”) as described in the Engineers Report Dated September 29th 2015 (2015 Engineers Report). As the Series 2015 Bonds were issued and utilized towards the first phase of development of the CIP, the Series 2017 Bonds will fund and progress the next phase of development as generally described herein and within the District Engineers Supplemental Report dated April 3, 2017 (2017 Engineers Report).

The objective of this Second Supplemental Report is to:

1. Identify those improvements to be financed, constructed and/or acquired by the District which benefit properties within the District as a whole;
2. Determine a fair and equitable method of spreading the associated costs to the benefiting properties within the District on assessable, benefiting property that has not been assigned debt associated with the Series 2015 Bonds and
3. Provide a basis for the placement of a lien on assessable lands that benefit from the CIP as outlined by the 2015 Engineer’s Report.

The basis of benefit received by properties relates directly to the districts CIP. It is the District’s CIP that will create the public infrastructure that enables properties to be developed and improved. Without these public improvements, which include district roads, water management control, sewer and wastewater management, water supply, landscape/hardscape, undergrounding of electric, professional/permitting fees, amenity and contingency, the development properties could not be undertaken within the current legal development standards. The main objective of this Second Supplemental Report is to refine, update and amend the Master Report, which established a basis on which to quantify and allocate the special benefit provided by the CIP to the private properties within the District. A detailed allocation methodology and finance plan, in a manner concurrent with the Master Report, will be utilized to equitably assign costs upon benefiting properties within District based upon the level of benefit received on a first platted, first assigned bases and assigned to specific parcels based on planned units as described and depicted in Table 2 and Exhibit B of this report. This Second Supplemental Report will outline the latest proposed financing structure and assessment methodology for the Series 2017 Bonds to be issued by the District, consistent with the maximum long term assessment. The methodology consultant will distribute supplemental report(s), as necessary, in connection with any further, issuances, updates and/or revisions to the current finance plan. Additional supplemental reports will be created to stipulate amended terms, interest rates, developer contributions, issuance costs and will detail the resulting changes in the level of funding allocated to the various trust accounts and subaccounts.

The District will issue Special Assessment Revenue Bonds, Series 2017 (the “Bonds”) to finance the construction and/or acquisition of the next portion of the CIP which will provide special benefit to all developable private parcels within the District. The Bonds will be repaid from and secured by non-ad valorem assessments levied on those properties benefiting from the improvements within the District. The initial allocation will be based on planned units within specific developable parcels with gross acreage. The Series 2017 assessments will be applied on platted lots on a first platted, first assigned basis within gross acreage private parcels as described in Exhibit A. The initial assignment will be based on planned units as described in Table 2, depicted in Exhibit B. Non-ad valorem assessments will be collected each year to provide the funding necessary to remit debt service on the Bonds and to fund operations and maintenance costs related to the capital improvements maintained by the District.

In summary, this Second Supplemental Report will determine the benefit, apportionment and financing structure for the Bonds to be issued by the District in accordance with Chapters 170, 190, and 197, Florida Statutes, as amended, to establish a basis for the levying and collecting of special assessments based on the benefits received and is consistent with our understanding and experience with case law on this subject.

II. DISTRICT OVERVIEW

The District encompasses 283.66 +/- acres as located in Hillsborough County, Florida, within Sections 20 and 21, Township 31, Range 20 East. Phase 1 of development comprises 138.338 +/- gross acres, while Phase 2 of development consists of 145.322 +/- gross acres. The primary developer of the Properties is Carlton Development, LLC (the “Developer”), who has created the overall development plan as outlined and supported by the 2015 Engineer’s Report. The development plan for the District contemplates three phases of funding; Series 2015 Bonds were issued and assigned to fund the first phase of funding consisting of assessments assigned on a first platted, first assigned basis to 424 single family lots and detailed within the 2015 First Supplemental Assessment Report. The second phase of funding supported by the issuance of Series 2017 Bonds will be assigned to specific developable gross private acreage parcels based on planned units and applied in accordance with this methodology within that parcel on a first platted, first assigned basis to support an additional 242 single family lots described in Table 2. The third and final phase contemplates an additional 192 single family units upon successful property zoning and annexation of another 25 units in the District. Table 2 describes the associated parcels, planned units and EAU (Equivalent Assessment Unit) assignments as further explained in Section V of this report. A general description and map of these funding areas is shown in Exhibit B.

III. PROPOSED IMPROVEMENTS

The District and Developer are undertaking the responsibility of providing public infrastructure necessary to develop and complete the District’s CIP. As designed, the CIP is an integrated system of facilities. Each infrastructure facility works as a system to provide special benefit to the lands within the District. The potable water and sewer facilities are an example of a system that provides benefit to all units within the District. As a system of improvements, all private landowners of District property benefit the same from the first few feet of pipe as they do from the last few feet. The same principal can

be applied to the storm water management system; as an interrelated facility, through its design and interconnected control structures, it is capable of providing a consistent level of protection to the entire development program, and thus all landowners within the District.

The District Engineer has identified the infrastructure, and respective costs, to be acquired and/or constructed for the CIP. The CIP includes roadway improvements, storm water management facilities, utilities (water and sewer), irrigation, offsite improvements, landscaping, lighting, recreational facilities and professional services. The total cost of the CIP is estimated to be approximately \$20,020,690 and is generally described within Table 1 of this Second Supplemental Report with further detail provided in the 2015 Engineer's Report. Detail regarding the status of completion of the first phase of development funding and CIP related to the Series 2015 Bonds along with anticipated uses of the second phase of funding via the Series 2017 Bonds to complete the next portion of the CIP is included in the 2017 Engineers Report.

IV. FINANCING

The District intends to finance another portion of the CIP through the issuance of Series 2017 tax exempt bonds. There may be additional bonds issued in one or more series to complete the project. A number of items comprise the estimated bond size requirements. These items may include, but are not limited to, capitalized interest, a debt service reserve, underwriter's discount, issuance costs, and rounding. A portion of construction costs required to complete the CIP may be funded through a private funding source or contributions.

For purposes of the Second Supplemental Report, allowances have been made for capitalized interest, a debt service reserve, underwriter's discount, issuance costs and rounding as shown on Table 3. As the finance plan for another portion of the CIP through completion is implemented the methodology consultant may issue supplemental report(s) which outline the provisions specific to each bond issue. The supplemental report(s) will detail the terms, interest rates, and costs associated with each bond series, including any Developer contributions. The supplemental report(s) will also detail the level of funding allocated to the construction/acquisition account, the capitalized interest account, the debt service reserve account, as well as the underwriter's discount, and issuance costs. Additionally, the supplemental report(s) will apply the principles set forth in the Master Report to determine the specific assessments required to repay the amounts being borrowed against the current development program.

V. ALLOCATION METHODOLOGY

The cost and benefit of the improvements in whole or in part constructed and/or acquired by the District is allocated to each property within the District based on the estimated special benefit received. This method of benefit allocation is based on the special benefit received from infrastructure improvements relative to the property's use and size in comparison to other properties within the District. According to F.S. 170.02, the methodology by which valid special assessments are allocated to specifically benefited property must be determined and adopted by the governing body of the District. This alone gives the District latitude in determining how special assessments will be allocated to specifically

benefited properties. The CIP benefit and special assessment allocation rationale is detailed below and provides a mechanism by which these costs, based on a determination of the estimated level of benefit conferred by the CIP, are apportioned to lands within the District for levy and collection. The allocation of benefits and assessments associated with the development program are demonstrated within Table 4. The Developer may choose to pay down all or a portion of the assessments on an individual lot basis, thereby reducing the annual debt service assessment associated with the Bonds applicable to the lots which have been paid down.

EQUIVALENT ASSESSMENT UNITS (EAU) ALLOCATION: District roads, water management control, sewer and wastewater management, water supply, landscape/hardscape, undergrounding of electric, professional/permitting fees, amenity and contingency benefit all properties within the District. The level of relative benefit can be compared through the use of defining “equivalent” units of measurement by product type to compare dissimilar development product types. This is accomplished by determining an estimate of the relationship between the product types, based on a relative benefit received by each product type from the system of capital improvements. The use of equivalent assessment unit methodologies is well established throughout the State as a fair and reasonable proxy for estimating the benefit received by development units.

The costs associated with the CIP are derived from the 2015 Engineer’s Report and outlined within Table 1 of this Second Supplemental Report.

VI. DETERMINATION OF SPECIAL ASSESSMENT

There are three main requirements for valid special assessments. The first requirement demands that the improvements to benefited properties, for which special assessments are levied, be implemented for an approved and assessable purpose (F.S. 170.01). As a second requirement, special assessments can only be levied on those properties specially benefiting from the improvements (F.S. 170.01). Thirdly, the special assessments allocated to each benefited property cannot exceed the proportional benefit to each parcel (F.S. 170.02).

The District’s CIP contains a “system of improvements” including the funding, construction and/or acquisition of district roads, water management control, sewer and wastewater management, water supply, landscape/hardscape, undergrounding of electric, professional/permitting fees, amenity and contingency; all of which are considered to be for an approved and assessable purpose (F.S. 170.01) which satisfies the first requirement for a valid special assessment, as described above. Additionally, the improvements will result in all properties within the District receiving a direct and specific benefit, thereby making those properties legally subject to assessments (F.S. 170.01), which satisfies the second requirement, above. Finally, the specific benefit to the properties is equal to or exceeds the cost of the assessments levied on the benefited properties (F.S. 170.02), which satisfies the third requirement, above.

The first requirement for determining the validity of a special assessment is plainly demonstrable; eligible improvements are found within the list provided in F.S. 170.01. However, the second and third requirements for a valid special

assessment require a more analytical examination. As required by F.S. 170.02, and described in the preceding section entitled “Allocation Methodology,” this approach involves identifying and assigning value to specific benefits being conferred upon the various benefitting properties, while confirming the value of these benefits exceed the cost of providing the improvements. These special benefits include, but are not limited to, the added use of the property, added enjoyment of the property, probability of decreased insurance premiums and the probability of increased marketability and value of the property. The development program contains a mix of single family home sites. The method of apportioning benefit to the planned product mix can be related to development density and intensity where it “equates” the estimated benefit conferred to a specific single-family unit type. This is done to implement a fair and equitable method of apportioning benefit.

The second and third requirements are the key elements in defining a valid special assessment. A reasonable estimate of the proportionate special benefits received from the CIP is expressed in terms of EAU Factor in Table 2. For this Second Supplemental Report, the District’s single family units are assessed by product type, with each unit within its product type receiving the same EAU Factor.

The determination has been made that the duty to pay the non-ad valorem special assessments is valid based on the special benefits imparted upon the property. These benefits are derived from the acquisition and/or construction of the District’s CIP. The allocation of responsibility for payment of the bond debt within the District has been apportioned according to reasonable estimates of the special benefits provided consistent with each land use category. Accordingly, no acre or parcel of property within the boundary of the Properties will be assessed for the payment of any non-ad valorem special assessment greater than the determined special benefit particular to that phase of the District.

Property within the District that currently is not, or upon future development, will not be subject to the special assessments include publicly owned (State/County/City/CDD) tax-exempt parcels such as: lift stations, road rights-of-way, waterway management systems, common areas, and certain lands/amenities owned by HOA(s). To the extent it is later determined that a property no longer qualifies for an exemption, assessments will be apportioned and levied based on an EAU factor proportionate to lot product average square footage.

VII. ASSIGNMENT OF ASSESSMENTS

This section sets out the manner in which special assessments will be assigned to the land within the District.

Property within the District that currently is not, or upon future development, will not be subject to the 2017 series special assessments. It is useful to consider three distinct states or conditions of development within a community. The initial condition is the “undeveloped state.” At this point the infrastructure may or may not be installed but none of the units in the Development Program have been platted. This condition exists when the infrastructure program is financed prior to any development. In the undeveloped state all of the lands within the District that have the appropriate zoning and entitlement with the ability to permit on develop receive benefit from the CIP and all of the private land that meets this

criterion and not currently assessed by the Series 2015 Assessments within the District would be assessed to repay Series 2017 bonds. While the land is in an “undeveloped state,” special assessments will be assigned on planned unit basis across the gross acreage within developable parcels within the District. Debt will be solely assigned to parcels which have development rights.

The second condition is “on-going development”. At this point, if not already in place, the installation of infrastructure has begun. Additionally, the development program has started to take shape. As lands subject to special assessments are platted and fully-developed, they are assigned specific assessments in relation to the estimated benefit that each unit receives from the CIP, with the balance of the debt assigned on planned units per gross developable acre basis as described in the preceding paragraph. Therefore each fully-developed, platted unit within these parcels would be assigned a par debt assessment as set forth in Table 4. It is not contemplated that any unassigned debt would remain once all of the lots associated with the improvements are platted and fully-developed within these parcels; if such a condition was to occur; the true-up provisions in section VIII of this Second Supplemental Report would be applicable.

The third condition is the “completed development state.” In this condition the entire development program for the District has been platted and the total par value of the Bonds have been assigned as specific assessments to each of the platted lots within the District.

VIII. TRUE-UP MODIFICATION

During the construction period of phases of development, it is possible that the number of residential units built may change, thereby necessitating a modification to the per unit allocation of assessment principal. In order to ensure the District’s debt does not build up on the unplatted land, the District shall apply the following test as outlined within this “true up methodology” for the Series 2017 Bonds.

The debt per acre remaining on the unplatted land within the parcel assigned debt based on planned units in Exhibit A is never allowed to increase above its ceiling debt per gross acre. The ceiling level of debt per acre is calculated as the total amount of debt for the Series 2017 bond issue divided by the number of gross acres encumbered by those bonds. Thus, every time the test is applied, the debt encumbering the remaining un-platted gross acres must remain equal to or lower than the ceiling level of debt per gross acre as established by Exhibit A.

True-up tests shall be performed upon the acceptance of each recorded plat submitted to subdivide developed lands within the parcels identified and Described within Exhibit A of the District. If upon the completion of any true-up analyses it is found the debt per gross acre exceeds the established maximum ceiling debt per gross acre, or there is not sufficient development potential in the remaining acreage within the District to produce the densities required to adequately service Bond debt, the District would require the immediate remittance of a density reduction payment, plus accrued interest as applicable, in an amount sufficient to reduce the remaining debt per acre to the ceiling amount per gross acre and to allow

the remaining acreage to adequately service bond debt upon development. The final test shall be applied at the platting of 100% of the development units within the parcels identified and Described within Exhibit A of the District.

True-up payment provisions may be suspended if the landowner can demonstrate, to the reasonable satisfaction of the District and bondholders, that there is sufficient development potential in the remaining acreage within the District to produce the densities required to adequately service Bond debt. The Developer and District will enter into a true-up agreement to evidence the obligations described in this Section VIII.

All assessments levied run with the land and it is the responsibility of the District to enforce the true-up provisions and collect any required true-up payments due. The District will not release any liens on property for which true-up payments are due, until provision for such payment has been satisfactorily made.

The anticipated par amount of bonds to be borrowed by the District to pay for a portion of the public capital infrastructure improvements is \$3,880,000 , payable in 30 annual installments of principal of \$265,000, which is \$1,000 per EAU. The anticipated par debt is \$14,641.51, per EAU and is outlined below.

The debt associated with the Series 2017 Bonds will initially be allocated within the District on gross acreaged based on planned units within specific parcels/folios listed below. WHEREAS, Carlton Lakes Community Development District (the "District") is authorized by Florida Statutes, Chapter 190 (the "Act") and Ordinance No. 15-6 of Hillsborough County, Florida, (the "Ordinance"), to issue its bonds for the purpose of acquiring and constructing assessable improvements all as provided in the Act and the Ordinance; and

WHEREAS, the District is authorized by the Act to make payments of principal, interest, and premium, if any, with respect to its bonds by levying and collecting special assessments on property located within the District and specially benefited by the assessable improvements to be financed with certain proceeds of its bonds; and

WHEREAS, the District pursuant to its Resolution 2015-22 as supplemented by District Resolution 2015-27 and its Resolution 2015-30 (collectively, the "First Resolution") authorized the issuance of its not exceeding \$20,000,000 principal amount of its special assessment revenue bonds (the "Bonds") in separate series for the purposes set forth in said First Resolution and approved the form of the Master Indenture (hereinafter defined) in substantially the form attached to the First Resolution; and

WHEREAS, the Board of Supervisors of the District (the "Board") has received from FMSbonds, Inc. (the "Underwriter") a proposal in the form of a Bond Purchase Agreement (the "Contract") for the purchase of the 2017 Bonds and the Board has determined that acceptance of such proposal and the sale of the 2017 Bonds to the Underwriter is in the best interest of the District for the reasons hereafter indicated;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF CARLTON LAKES COMMUNITY DEVELOPMENT DISTRICT, as follows:

SECTION 1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture (hereinafter defined).

SECTION 2. Authorization. There is hereby authorized to be issued the 2017 Bonds in a principal amount not exceeding \$10,000,000. The 2017 Bonds shall be issued under and secured by that Master Trust Indenture dated as of December 1, 2015 (the "Master Indenture") as supplemented by that Second Supplemental Trust Indenture (the "Supplemental Indenture") both by and between the District and U.S. Bank National Association, as trustee (the "Trustee") (the Master Indenture and the Supplemental Indenture are referred to collectively as the "Indenture"). The proceeds of the 2017 Bonds shall be used for the purposes set forth in the Supplemental Indenture and the Limited Offering Memorandum (hereinafter defined).

SECTION 3. Approval of Supplemental Indenture. The Supplemental Indenture is hereby approved in substantially the form set forth as part of **Exhibit A** hereto and the Chairman or the Vice Chairman of the Board are hereby authorized and directed to execute and deliver such Supplemental Indenture on behalf of and in the name of the District and the Secretary or

any Assistant Secretary of the Board is hereby authorized to attest such execution, with such additions and deletions therein as may be made and approved by the Chairman or the Vice Chairman executing the same, such execution to be conclusive evidence of such approval. The Trustee is hereby approved to serve as Trustee, Bond Registrar and Paying Agent under such Supplemental Indenture.

SECTION 4. Negotiated Sale. The Board hereby determines that a negotiated sale of the 2017 Bonds to the Underwriter is in the best interest of the District because of prevailing market conditions, because delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the 2017 Bonds at presently favorable interest rates, and because the nature of the security for the 2017 Bonds and the sources of payment of debt service on the 2017 Bonds require the participation of an underwriter in structuring the bond issue.

SECTION 5. Contract Approved. The Board hereby approves the Contract submitted by the Underwriter in substantially the form attached as **Exhibit B** hereto. The Chairman or Vice Chairman of the Board is hereby authorized to execute the Contract and to deliver the Contract to the Underwriter with such changes, amendments, modifications, omissions and additions as may be approved by the executing Chairman or Vice Chairman; provided that (i) the principal amount of the 2017 Bonds shall not exceed \$10,000,000; (ii) the interest rate on none of the 2017 Bonds will exceed five and one-half percent (5.50%) per annum; (iii) the Underwriter's discount shall not exceed two and one-half percent (2.5%) of the principal amount of the 2017 Bonds; (iv) the 2017 Bonds shall be subject to optional redemption no later than November 1, 2032 at a Redemption Price not in excess of 100% of the principal amount to be redeemed plus accrued interest to the redemption date; and (v) the final maturity of the 2017 Bonds shall be no later than November 1, 2049.

SECTION 6. Preliminary Limited Offering Memorandum and Limited Offering Memorandum. The District hereby approves the Preliminary Limited Offering Memorandum in substantially the form attached hereto as **Exhibit C** (the "Preliminary Limited Offering Memorandum") and authorizes its distribution and use by the Underwriter in connection with the offering for the sale of the 2017 Bonds. If between the date hereof and the mailing of the Preliminary Limited Offering Memorandum it is necessary to make insertions, modifications and changes to the Preliminary Limited Offering Memorandum, the Chairman or Vice Chairman is hereby authorized to approve such insertions, changes and modifications, and, the Chairman or Vice Chairman is hereby authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") under the Securities Exchange Act of 1934, in the form as mailed and in furtherance thereof to execute a certificate evidencing same. The preparation of a final Limited Offering Memorandum is hereby approved and the Chairman or Vice Chairman is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the 2017 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the 2017 Bonds. The Limited Offering Memorandum shall be substantially in the form of the final Preliminary Limited Offering Memorandum, with such changes as shall be approved by the Chairman or Vice Chairman as necessary to conform to the details of the 2017 Bonds and such other insertions, modifications and changes as may be approved by the Chairman or Vice Chairman. The execution and delivery of the Limited Offering Memorandum by the Chairman shall constitute evidence of the approval thereof. The

District hereby authorizes the use of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the 2017 Bonds.

SECTION 7. Form of 2017 Bonds. The 2017 Bonds shall be in substantially the form as set forth in the exhibit to the Supplemental Indenture, with such additions, deletions and other changes thereto as the officials of the Board executing the 2017 Bonds shall approve, such approval to be conclusively evidenced by the execution of the 2017 Bonds (by manual or facsimile signature) by such officials. The Board hereby authorizes and approves the use of a facsimile of the District seal on the 2017 Bonds.

SECTION 8. Continuing Disclosure Agreement. The form and content of the Continuing Disclosure Agreement (the "Disclosure Document") relating to the 2017 Bonds attached hereto as **Exhibit D** is hereby approved. The Chairman or Vice Chairman and the Secretary or any Assistant Secretary are hereby authorized to execute on behalf of the District the Disclosure Document in substantially the form attached hereto, with such additions, deletions, and other changes as may be necessitated by applicable law, this Resolution and the Contract as such officers may approve (such approval to be conclusively evidenced by their execution of the Disclosure Document).

SECTION 9. Application of 2017 Bond Proceeds. Proceeds of the 2017 Bonds, shall be applied as provided in the Supplemental Indenture.

SECTION 10. Open Meetings. It is hereby found and determined that all official acts of this Board concerning and relating to the issuance, sale, and delivery of the 2017 Bonds, including but not limited to adoption of this Resolution, were taken in open meetings of the members of the Board and all deliberations of the members of the Board that resulted in such official acts were in meetings open to the public, in compliance with all legal requirements including, but not limited to, the requirement of Florida Statutes, Section 286.011.

SECTION 11. Other Actions. The Chairman, the Vice Chairman, the Secretary, any Assistant Secretary and the District Manager of the District, and any authorized designee thereof (collectively, the "District Officers"), Akerman LLP, as Bond Counsel, Straley Robin Vericker the District's General Counsel, and any other consultant or experts retained by the District, are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the 2017 Bonds and the consummation of all transactions in connection therewith. The District Officers are hereby authorized and directed to execute all necessary or desirable certificates, documents, papers, and agreements necessary to the undertaking and fulfillment of all transactions referred to in or contemplated by the Supplemental Indenture, the Preliminary Limited Offering Memorandum, the Limited Offering Memorandum, this Resolution, the Disclosure Document and the Contract.

SECTION 12. Approval of Prior Actions. All actions taken to date by the members of the Board and the officers, agents, and employees of the District in furtherance of the issuance of the Bonds are hereby approved, confirmed and ratified.

SECTION 13. Inconsistent Resolutions and Motions. All prior resolutions of the Board inconsistent with the provisions of this Resolution are hereby modified, supplemented and amended to conform with the provisions herein contained and, except as so modified, supplemented and amended hereby, shall remain in full force and effect.

SECTION 14. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

SECTION 15. Effective Date. This Resolution shall become effective immediately upon its adoption.

NOT RATED

In the opinion of Bond Counsel (as hereinafter defined), under existing statutes, regulations, published rulings and court decisions, and assuming compliance by the District with the tax covenants described herein and the accuracy of certain representations included in the closing transcript for the Series 2017 Bonds (as hereinafter defined), interest on the Series 2017 Bonds is excludable from gross income for federal income tax purposes, and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. Such interest, however, will be includable in the calculation of certain corporations' alternative minimum taxable income. See "TAX MATTERS" herein. Bond Counsel is further of the opinion that the Series 2017 Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

\$ _____ *

**CARLTON LAKES COMMUNITY DEVELOPMENT DISTRICT
(HILLSBOROUGH COUNTY, FLORIDA)
SPECIAL ASSESSMENT REVENUE BONDS, SERIES 2017**

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices attached hereto, is to set forth certain information in connection with the offering for sale by the Carlton Lakes Community Development District (the "District") of its \$ _____ * Special Assessment Revenue Bonds, Series 2017 (the "Series 2017 Bonds").

THE SERIES 2017 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2017 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFER IN ANY SECONDARY MARKET FOR THE SERIES 2017 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2017 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District, which is the issuer of the Series 2017 Bonds, is a local unit of special purpose government of the State of Florida, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 15-6 of the Board of County Commissioners of Hillsborough County, Florida, adopted on March 24, 2015 and effective as of March 25, 2015 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined), and has previously determined to undertake in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, and equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 283.66 acres of land (the "District Lands") located entirely within the unincorporated area of Hillsborough County, Florida (the "County"). The District Lands are currently being developed as Carlton Lakes (the "Development"). The Development is intended to be developed into 759 single-family residential units and associated infrastructure and amenities.

The District previously issued bonds in December 2015 to fund a portion of master and community infrastructure within the Development (the "Series 2015 Bonds"). The Series 2015 Bonds are separately secured by non-ad valorem special assessments that have been allocated to the first 424

* Preliminary, subject to change.

residential lots platted in the District, which consist of 319 platted lots in Phases 1A, 1B1, 1B2, 1D1 and 1D2 in the eastern portion of the Development and 105 platted lots in Phases 1 and 2A of the Carlton Lakes West portion of the Development (the "Series 2015 Assessments").

The Series 2017 Assessments (as defined herein) are levied on the District Lands, other than the District Lands subject to the Series 2015 Assessments, and will be allocated to the next 229 residential lots platted within the Development, which are expected to consist of the remaining lots in Phases 1 and 2A and the lots in Phase 2B of the Carlton Lakes West portion of the Development. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" for more information regarding allocation of the Series 2017 Assessments. See "THE DEVELOPMENT" herein for a summary of the current development status of the Development.

Currently all of the District Lands that are expected to absorb the Series 2017 Assessments are owned by Eisenhower Property Group, L.L.C., a Florida limited liability company ("Eisenhower") and by Lennar Homes, LLC, a Florida limited liability company ("Lennar Homes" and, together with Eisenhower, the "Landowners"). Eisenhower has entered into the Builder Contract (as hereinafter defined) with D.R. Horton, Inc. ("D.R. Horton") for 105 developed lots in Phase 2B. The Carlton Lakes West portion of the Development is being developed in part by an affiliate of Eisenhower, Southfork Lakes West Development, LLC, a Florida limited liability company (the "Developer"). See "THE DEVELOPMENT" and "THE LANDOWNERS" herein for more information.

The Series 2017 Bonds are being issued pursuant to the Act, Resolution Nos. 2015-22, 2015-27, 2015-30 and 2017-___ adopted by the Board of Supervisors of the District (the "Board"), and a Master Trust Indenture, dated as of December 1, 2015 (the "Master Indenture"), as supplemented by a Second Supplemental Trust Indenture dated as of _____1, 2017 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank National Association, as trustee (the "Trustee"). All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" hereto.

The Series 2017 Bonds are equally and ratably secured by the 2017 Trust Estate, without preference or priority of one Series 2017 Bond over another. The 2017 Trust Estate consists of all right, title and interest of the District in, to and under, subject to the terms of the Master Indenture, the revenues derived by the District from the Series 2017 Assessments levied and imposed pursuant to the Assessment Proceedings (as hereinafter defined) as the same may be amended from time to time (the "2017 Pledged Revenues") and the Funds and Accounts (except for the Series 2017 Rebate Account and the 2017 Cost of Issuance Account) established under the Second Supplemental Indenture (the "2017 Pledged Funds"). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2017 BONDS."

Proceeds of the Series 2017 Bonds will be applied to (i) finance the Cost of acquisition, construction, installation and equipping of a portion of the 2017 Project (as hereinafter defined); (ii) pay certain costs associated with the issuance of the Series 2017 Bonds; (iii) to pay a portion of the interest accruing on the Series 2017 Bonds; and (iv) fund the 2017 Reserve Account as herein provided. See "ESTIMATED SOURCES AND USES OF SERIES 2017 BOND PROCEEDS."

There follows in this Limited Offering Memorandum a brief description of the District, the 2017 Project, the Development, the Landowners and summaries of the terms of the Series 2017 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such document and statute, and all references to the Series 2017

Bonds are qualified by reference to the form thereof and the information with respect thereto contained in the Indenture. A copy of the Master Indenture and the proposed form of the Second Supplemental Indenture appear as APPENDIX B hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

DESCRIPTION OF THE SERIES 2017 BONDS

General Description

The Series 2017 Bonds are being issued only in fully registered form, in denominations of \$5,000 or any integral multiples thereof (an "Authorized Denomination"). The Series 2017 Bonds will initially be sold only to "Accredited Investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder by the Florida Department of Financial Services. The limitation of the initial offering to Accredited Investors does not denote restrictions on transfer in any secondary market for the Series 2017 Bonds.

Each Series 2017 Bond shall be dated the date of initial delivery. Each Series 2017 Bond shall also bear its date of authentication. Each Series 2017 Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication: (i) is an Interest Payment Date to which interest on such Series 2017 Bond has been paid, in which event such Series 2017 Bond shall bear interest from its date of authentication; or (ii) is prior to the first Interest Payment Date for the Series 2017 Bonds, in which event such Series 2017 Bond shall bear interest from its date. Interest on the Series 2017 Bonds shall be due and payable on each May 1 and November 1, commencing _____, 20____, and shall be computed on the basis of a 360-day year of twelve 30-day months.

The Series 2017 Bonds shall be initially issued in the form of a separate single certificated fully registered Series 2017 Bond for each maturity thereof. Upon initial issuance, the ownership of each such Series 2017 Bond shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), the initial Bond Depository. Except as provided in the Indenture, all of the Outstanding Series 2017 Bonds shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as nominee of DTC. See "DESCRIPTION OF THE SERIES 2017 BONDS - Book-Entry System" herein.

The Second Supplemental Indenture provides that, with respect to Series 2017 Bonds registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC, the District, the Trustee, the Bond Registrar and the Paying Agent shall have no responsibility or obligation to any such Bond Participant or to any Beneficial Owner.

U.S. Bank National Association is the Trustee, Bond Registrar and Paying Agent for the Series 2017 Bonds.

Mandatory Sinking Fund Redemption

The Series 2017 Bonds maturing November 1, 20__ are subject to mandatory redemption in part by the District by lot prior to its scheduled maturity from moneys in the 2017 Sinking Fund Account established under the Second Supplemental Indenture in satisfaction of applicable Amortization Installments at a Redemption Price of 100% of the principal amount thereof, without premium, plus accrued interest to the redemption date, on November 1 of the years and in the principal amounts set forth below.

* Maturity

The Series 2017 Bonds maturing November 1, 20__ are subject to mandatory redemption in part by the District by lot prior to its scheduled maturity from moneys in the 2017 Sinking Fund Account established under the Second Supplemental Indenture in satisfaction of applicable Amortization Installments at a Redemption Price of 100% of the principal amount thereof, without premium, plus accrued interest to the redemption date, on November 1 of the years and in the principal amounts set forth below.

* Maturity

Upon redemption or purchase of the Series 2017 Bonds (other than redemption in accordance with scheduled Amortization Installments), the District shall cause to be recalculated and delivered to the Trustee revised Amortization Installments recalculated so that debt service on the Series 2017 Bonds is amortized in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2017 Bonds.

Extraordinary Mandatory Redemption

The Series 2017 Bonds are subject to extraordinary mandatory redemption prior to scheduled maturity, in whole on any date or in part on any Redemption Date (which is defined to mean each February 1, May 1, August 1 and November 1), and if in part on a pro rata basis calculated by the District determined by the ratio of the Outstanding principal amount of each maturity of the Series 2017 Bonds (treating for such purposes each Amortization Installment as a maturity) divided by the aggregate principal amount of Outstanding Series 2017 Bonds and as otherwise provided in the Indenture, at the Redemption Price of 100% of the principal amount thereof, without premium, plus accrued interest to the redemption date, if and to the extent that any one or more of the following shall have occurred:

(i) On or after the Date of Completion of the 2017 Project by application of moneys transferred from the 2017 Acquisition and Construction Account to the 2017 Prepayment Account in accordance with the terms of the Indenture; or

(ii) Amounts are deposited into the 2017 Prepayment Account from the prepayment of Series 2017 Assessments and from amounts deposited into the 2017 Prepayment Subaccount from other sources; or

(iii) When the amount on deposit in the 2017 Reserve Account, together with other moneys available therefor are sufficient to pay and redeem all the Series 2017 Bonds then Outstanding as provided in the Second Supplemental Indenture.

Reference is hereby specifically made to "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" for additional details concerning the redemption of Series 2017 Bonds.

Notice of Redemption

Notice of each redemption of Series 2017 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of Series 2017 Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2017 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2017 Bonds or such portions thereof on such date, interest on such Series 2017 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2017 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2017 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

If at the time of mailing the notice of any redemption, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem all the Series 2017 Bonds called for redemption, such notice shall state that it is subject to the deposit of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

Purchase of Series 2017 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the 2017 Sinking Account to the purchase of Series 2017 Bonds which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. Any Series 2017 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2017 Bonds.

Book-Entry System

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC, and the District does not make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

DTC will act as securities depository for the Series 2017 Bonds. The Series 2017 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Series 2017 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2017 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2017 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2017 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2017 Bonds are to be accomplished by entries made on the books of

Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2017 Bonds, except in the event that use of the book-entry system for the Series 2017 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2017 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2017 Bonds with DTC and their registration in the name of Cede & Co., or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2017 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2017 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2017 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2017 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Series 2017 Bonds may wish to ascertain that the nominee holding the Series 2017 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2017 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2017 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2017 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Series 2017 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2017 Bonds at any time by giving reasonable notice to the District or the Paying Agent. Under such circumstances, in

the event that a successor depository is not obtained, the Series 2017 Bonds are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, the Series 2017 Bonds will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2017 BONDS

General

NEITHER THE SERIES 2017 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2017 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE, OR THE SERIES 2017 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE, OR THE SERIES 2017 BONDS, SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE 2017 PLEDGED REVENUES AND THE 2017 PLEDGED FUNDS PLEDGED TO THE SERIES 2017 BONDS, ALL AS PROVIDED IN THE SERIES 2017 BONDS AND IN THE INDENTURE.

The Series 2017 Bonds are equally and ratably secured by the 2017 Trust Estate, without preference or priority of one Series 2017 Bond over another. The 2017 Trust Estate consists of all right, title and interest of the District in, to and under, subject to the terms of the Master Indenture, the revenues derived by the District from the Series 2017 Assessments levied and imposed pursuant to the Assessment Proceedings (as hereinafter defined) as the same may be amended from time to time (the "2017 Pledged Revenues") and the Funds and Accounts (except for the Series 2017 Rebate Account and the 2017 Cost of Issuance Account) established under the Second Supplemental Indenture (the "2017 Pledged Funds"). The "Series 2017 Assessments" are the Special Assessments levied against properties within the District specifically benefitted by the 2017 Project as described in the Assessment Proceedings (as hereinafter defined). The Series 2017 Bonds are not secured by assessments on any other District Lands.

"Special Assessments" shall mean (a) the net proceeds derived from the levy and collection of "special assessments," as provided for in Sections 190.011(14) and 190.022 of the Act against District Lands that are subject to assessment as a result of a particular Project or any portion thereof, including the interest and penalties on such assessments, pursuant to all applicable provisions of the Act and Chapter 170, Florida Statutes, and Chapter 197, Florida Statutes (and any successor statutes thereto), including, without limitation, any amount received from any foreclosure proceeding for the enforcement of collection of such assessments or from the issuance and sale of tax certificates with respect to such assessments, less (to the extent applicable) the fees and costs of collection thereof payable to the Tax Collector and less certain administrative costs payable to the Property Appraiser pursuant to the Property Appraiser and Tax Collector Agreement. "Special Assessments" shall not include "special assessments" levied and collected by the Issuer under Section 190.022 of the Act for maintenance purposes or "maintenance special assessments" levied and collected by the Issuer under Section 190.021(3) of the Act.

"Assessment Proceedings" shall mean the proceedings of the District with respect to the establishment, levy and collection of the Series 2017 Assessments, including the Assessment Resolution and any supplemental proceedings undertaken by the District with respect to the Series 2017 Assessments.

Non-ad valorem assessments are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2017 Assessments will constitute a lien against the land as to which the Series 2017 Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

Covenant to Levy the Series 2017 Assessments

The District will covenant in the Indenture to comply with the terms of the proceedings heretofore adopted with respect to the Series 2017 Assessments, including the Assessment Methodology (defined herein), and to levy Series 2017 Assessments and any required true-up payments set forth in the Assessment Methodology, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2017 Bonds when due. The District will further agree that it shall not amend the Assessment Methodology in any material manner without the written consent of the Majority Owners.

If any Series 2017 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2017 Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2017 Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2017 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2017 Assessment from legally available moneys, which moneys shall be deposited into the 2017 Revenue Account. See "BONDOWNERS RISKS – Inadequacy of 2017 Reserve Account." In case any such subsequent Series 2017 Assessment shall also be annulled, the District shall obtain and make other Series 2017 Assessments until a valid Series 2017 Assessment shall be made.

Prepayment of Series 2017 Assessments

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Series 2017 Assessments may pay the entire balance of the Series 2017 Assessments remaining due, without interest, within thirty (30) days after the 2017 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2017 Project pursuant to Chapter 170.09, Florida Statutes. The Landowners, as the initial owners of all of the property within the District subject to the Series 2017 Assessments, will covenant to waive this right in connection with the issuance of the Series 2017 Bonds pursuant to a "Declaration of Consent to Jurisdiction of Carlton Lakes Community Development District, Imposition of Special Assessments and Imposition of Lien of Record." Such declaration will be recorded in the public records of the County, and the covenants contained therein will be binding on future landowners in the District.

Pursuant to the Assessment Proceedings, an owner of property subject to the Series 2017 Assessments may pay the principal balance of such Series 2017 Assessments, in whole or in part at any time, if there is also paid an amount equal to the interest that would otherwise be due on such balance to the earlier of the next succeeding [Redemption Date], which is at least 45 days after the date of payment. If such prepayment shall occur within 45 days of the next Interest Payment Date, accrued interest shall be calculated to the next succeeding Interest Payment Date.

Any prepayment of Series 2017 Assessments will result in the extraordinary mandatory redemption of Series 2017 Bonds, as indicated under "DESCRIPTION OF THE SERIES 2017 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption." The prepayment of Series 2017 Assessments does not entitle the owner of the property to a discount for early payment.

Limitation on Issuance of Additional Bonds

Other than Bonds issued to refund a portion of Outstanding Series 2017 Bonds, the issuance of which as determined by the District results in present value debt service savings, the District shall not, while any Series 2017 Bonds are outstanding, issue or incur any debt payable in whole or in part from the 2017 Trust Estate. In addition, the District will covenant not to issue any other Bonds or other debt obligations secured by Special Assessments on assessable lands which are also encumbered by the Series 2017 Assessments for any capital project unless the Series 2017 Assessments have been Substantially Absorbed. "Substantially Absorbed" means the date at least 90% of the principal portion of the Series 2017 Assessments have been assigned to residential units that have received certificates of occupancy. The District may issue Bonds or other debt obligations secured by Special Assessments on assessable lands not encumbered by the Series 2017 Assessments without limitation except as limited by the documents pursuant to which such Bonds or debt are issued. The Trustee and the District may rely on a certificate from the District Manager regarding such status of the residential units and the Series 2017 Assessments and in the absence of receipt of such certificate, may assume Substantial Absorption has not occurred.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2017 Assessments without the consent of the Owners of the Series 2017 Bonds. Additionally, the District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2017 Assessments, on the same lands upon which the Series 2017 Assessments are imposed, to fund the maintenance and operation of the District. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

2017 Acquisition and Construction Account

Pursuant to the Second Supplemental Indenture, there is established within the Acquisition and Construction Fund held by the Trustee a 2017 Acquisition and Construction Account. Amounts on deposit in the 2017 Acquisition and Construction Account shall be applied to pay the Costs of the 2017 Project including Deferred Costs upon compliance with the requirements of the requisition positions of the Master Indenture. Costs of the 2017 Project other than Deferred Costs, shall be paid from the General Subaccount. "Deferred Costs" shall mean Costs of the 2017 Project which have not been paid from the General Subaccount of the 2017 Acquisition and Construction Account and which are identified by the District to the Trustee in writing as having been advanced under the Acquisition Agreement or any other contract or agreement pursuant to which the District has become obligated to pay for Costs of the 2017 Project from the Deferred Costs Subaccount in the 2017 Acquisition and Construction Account.

The District shall notify the Trustee in writing, from time to time, of the amount of any Deferred Costs which have accrued and are unpaid. The Trustee shall be entitled to conclusively rely on the information contained in such certificate, and, in the absence of any such certificate, the Trustee shall conclusively presume that there are no accrued and unpaid Deferred Costs. Anything in the Indenture to the contrary notwithstanding, so long as there are Deferred Costs due as evidenced by such certificate of the District, the Trustee shall deposit into the Deferred Costs Subaccount in the 2017 Acquisition and Construction Account the amounts to be transferred thereto pursuant to the Second Supplemental Indenture which amounts shall be held separate and apart from other amounts on deposit in the 2017

Acquisition and Construction Account, including amounts on deposit in the General Subaccount. Except as provided in the immediately preceding sentence all amounts being deposited to the 2017 Acquisition and Construction Account shall be deposited to the General Subaccount. Amounts in the Deferred Costs Subaccount shall, if the Trustee does not have knowledge of an Event of Default, be paid over to the District, upon requisition, by the District, to be used solely to pay Deferred Costs. The District shall provide written notice to the Trustee when there are no further Deferred Costs at which time the Deferred Costs Subaccount shall be closed and any amounts then on deposit in the Deferred Costs Subaccount shall be applied as provided below. The Trustee shall have no liability to any third party for payment of Deferred Costs.

Any balance remaining in the 2017 Acquisition and Construction Account after the Completion Date and after retaining the amount, if any, of all remaining unpaid Costs of the 2017 Project set forth in the Engineers' Certificate establishing such Completion Date, shall be transferred to and deposited in the 2017 Prepayment Account in the Bond Redemption Fund and applied to the extraordinary mandatory redemption of the Series 2017 Bonds in the manner prescribed in the form of Series 2017 Bond set forth as an exhibit to the Second Supplemental Indenture.

2017 Reserve Account

Pursuant to the Second Supplemental Indenture, there is established within the Debt Service Reserve Fund a 2017 Reserve Account, in which monies will be deposited in an amount equal to the 2017 Reserve Account Requirement. See "ESTIMATED SOURCES AND USES OF PROCEEDS" herein. The "2017 Reserve Account Requirement" shall mean the maximum annual Debt Service Requirement for the Series 2017 Bonds as of the time of any such calculation provided, however, that on and after the date on which the Series 2017 Assessments have been Substantially Absorbed as evidenced by a certificate to such effect delivered to the Trustee from a Responsible Officer on which the Trustee may conclusively rely, the 2017 Reserve Account Requirement shall mean 50% of the maximum annual Debt Service Requirement for the Series 2017 Bonds. The 2017 Reserve Account Requirement shall initially be \$_____.

Amounts on deposit in the 2017 Reserve Account except as provided elsewhere in the Indenture shall be used only for the purpose of making payments into the 2017 Interest Account and the 2017 Sinking Fund Account to pay the Series 2017 Bonds, without distinction as to Series 2017 Bonds and without privilege or priority of one Series 2017 Bond over another, when due when the moneys on deposit in such Accounts and available therefor are insufficient.

The Trustee, on or before the fiftieth day (or if such day is not a Business Day, on the Business Day next preceding such day) next preceding each Redemption Date, after taking into account all payments and transfers made as of such date, shall compute the value of the 2017 Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the 2017 Reserve Account, from the first legally available sources of the District. Any surplus in the 2017 Reserve Account (other than any surplus resulting from investment earnings which shall be applied as provided below) shall be deposited into the 2017 Prepayment Account provided that if the Trustee does not have knowledge of an Event of Default, any excess in the 2017 Reserve Account on the date on which the Trustee is notified the Series 2017 Assessments have been Substantially Absorbed will be deposited to the Deferred Costs Subaccount in the 2017 Acquisition and Construction Account in accordance with the Second Supplemental Indenture and to the extent any excess is not so deposited shall be deposited to the 2017 Prepayment Account.

All earnings on investments in the 2017 Reserve Account shall be deposited to the 2017 Revenue Account provided no deficiency exists in the 2017 Reserve Account and if a deficiency does exist earnings shall remain on deposit in the 2017 Reserve Account until the deficiency is cured. Such Account shall consist only of cash and 2017 Investment Obligations.

Notwithstanding the foregoing on the earliest date on which there is on deposit in the 2017 Reserve Account, sufficient monies, taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2017 Bonds, together with accrued interest on such Series 2017 Bonds to the earliest date of redemption, then the Trustee shall transfer to the 2017 Prepayment Account the amount on deposit in the 2017 Reserve Account to pay and redeem all of the Outstanding Series 2017 Bonds on the earliest such date.

The District may provide that the difference between the amounts on deposit in the 2017 Reserve Account and the 2017 Reserve Account Requirement shall be an amount covered by obtaining bond insurance or a surety bond issued by a municipal bond insurer, rated at the time of initial deposit to the 2017 Reserve Account in one of the two highest categories (at least AA by S&P or at least Aa by Moody's without reference to gradations) by one of such nationally recognized rating agencies (the "Reserve Account Credit Instrument"). At any time after the issuance of the Series 2017 Bonds, the District may withdraw any or all of the amount of money on deposit in the 2017 Reserve Account and substitute in its place a Reserve Account Credit Instrument as described above in the face amount of such withdrawal, and such withdrawn moneys shall, after payment of the premium for such Reserve Account Credit Instrument, be transferred to the Deferred Costs Subaccount to the extent the District informs the Trustee there are unfunded Deferred Costs and the balance shall be deposited to the 2017 Prepayment Account.

Deposit and Application of the 2017 Pledged Revenues

Pursuant to the Second Supplemental Indenture, there is established within the Revenue Fund a 2017 Revenue Account into which the Trustee shall deposit the revenues from the Series 2017 Assessments including the interest thereon with the Trustee. Upon deposit of the revenues from the Series 2017 Assessments including the interest thereon with the Trustee, the District shall provide the Trustee a written accounting setting forth the amounts of such Series 2017 Assessments in the following categories which shall be deposited by the Trustee into the Funds and Accounts established hereunder as follows:

- (i) Assessment Interest which shall be deposited into the 2017 Interest Account;
- (ii) Assessment Principal, which shall be deposited into the 2017 Sinking Fund Account;
- (iii) Prepayment Principal which shall be deposited into the 2017 Prepayment Account;
- (iv) Delinquent Assessment Principal shall first be applied to restore the amount of any withdrawal, from the 2017 Reserve Account to pay the principal of Series 2017 Bonds to the extent that less than the 2017 Reserve Account Requirement is on deposit in the 2017 Reserve Account, and, the balance, if any, shall be deposited into the 2017 Sinking Fund Account;
- (v) Delinquent Assessment Interest shall first be applied to restore the amount of any withdrawal, from the 2017 Reserve Account to pay the interest of Series 2017 Bonds to the extent that less than the 2017 Reserve Account Requirement is on deposit in a 2017 Reserve Account, and, the balance, if any, shall be deposited into the 2017 Interest Account;

- (vi) The balance shall be deposited in the 2017 Revenue Account.

On each March 15, June 15, September 15 and December 15 (or if such March 15, June 15, September 15 or December 15 is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the 2017 Prepayment Account and, if the balance therein is greater than zero, shall transfer, but only after transferring sufficient amounts as directed by the District to pay amounts on the next Interest Payment Date as provided in the Master Indenture from the 2017 Revenue Account for deposit into such Prepayment Account, an amount sufficient to increase the amount on deposit therein to the next integral multiple of \$5,000, and, shall thereupon give notice and cause the extraordinary mandatory redemption of Series 2017 Bonds on the next succeeding redemption date in the maximum aggregate principal amount for which moneys are then on deposit in such Prepayment Account in accordance with the provisions for extraordinary redemption of Series 2017 Bonds as set forth in the Second Supplemental Indenture. All interest due in regard to such prepayments shall be paid from the 2017 Interest Account or, if insufficient amounts are on deposit in the 2017 Interest Account to pay such interest then from the 2017 Revenue Account.

On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction, and the Trustee shall, transfer from the 2017 Revenue Account to the 2017 Rebate Account established for the Series 2017 Bonds in the Rebate Fund, and the Arbitrage Certificate the amount due and owing to the United States, which amount shall be paid, to the United States, when due, in accordance with such Arbitrage Certificate. To the extent insufficient moneys are on deposit in the 2017 Revenue Account to make the transfer provided for in the immediately preceding sentence the District shall deposit with the Trustee from available moneys of the District the amount of any such insufficiency.

Investments

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in all of the Funds and Accounts held as security for the Series 2017 Bonds shall be invested only in 2015 Investment Obligations, and further, earnings on investments in the 2017 Acquisition and Construction Accounts and 2017 Cost of Issuance Account shall be retained as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the 2017 Revenue Account, 2017 Sinking Fund Account, the 2017 Interest Account and the 2017 Prepayment Account in the Bond Redemption Fund shall be deposited, as realized, to the credit of the 2017 Revenue Account and used for the purpose of such Account. Earnings on investments in the 2017 Reserve Account shall be disposed of as set forth in "2017 Reserve Account" herein.

Collateral Assignment and Assumption of Development and Contract Rights

[As a condition precedent to the issuance of the Series 2017 Bonds, and as an inducement for the Bondholders to purchase the Series 2017 Bonds, the Landowners will execute and deliver to the District a Collateral Assignment of Development Rights (the "Collateral Assignment"), pursuant to which the Landowners will collaterally assign to the District, to the extent assignable, and to the extent accepted by the District in their sole discretion as the case may be, and to the extent that they are solely owned or controlled by the Landowners or subsequently acquired by the Landowners, all of the Landowners' development rights relating to the development of the District Lands, and the Landowners' rights as declarant of the master, neighborhood and condominium associations with respect to, and to the extent of the unit parcels within the District Lands not conveyed to third parties as of the date of the exercise of the District's rights under the Collateral Assignment (collectively, the "Development Rights"), subject to the terms and conditions in the Collateral Assignment. The Development Rights include the following as they pertain to the development of the assessable lands within the District: (a) engineering and construction plans and specifications for grading, roadways, site drainage, stormwater drainage, signage,

water distribution, waste water collection, and other improvements; (b) preliminary and final site plans and plats; (c) architectural plans and specifications for buildings and other improvements to the developable property within the District; (d) permits, approvals, resolutions, variances, licenses, and franchises granted by governmental authorities, or any of their respective agencies, for or affecting the development within the Developable lands and construction of improvements thereon and off-site to the extent improvements are necessary or required to complete the 2017 Project; (e) contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the development within the Lands or the construction of improvements thereon; (f) impact fee credits, mobility fee credits and mitigation credits; and all future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing. The Development Rights specifically exclude any portion of the Development Rights listed above which relate solely to (i) lots conveyed to homebuilders or end-users, (ii) any property which has been conveyed, or is in the future conveyed, to the County, the District, any homebuilder, any utility provider, governmental or quasi-governmental entity, any applicable homeowner's association or other governing entity or association as may be required by applicable permits, approvals, plats, entitlements or regulations affecting the District Lands, if any, or (iii) lands outside the District.

Notwithstanding the above provisions to the contrary, in the event the District forecloses on the lands subject to the Series 2017 Assessments as a result of the Landowners' or subsequent landowner's failure to pay such assessments, there is a risk that the District or the Trustee, as the case may be, will not have all permits and entitlements necessary to complete the 2017 Project. Furthermore, the Landowners have already assigned certain Development Rights pursuant to certain mortgages.

Indenture Provisions Relating to Bankruptcy or Insolvency of Landowner

The Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to at least three percent (3%) of the Series 2017 Assessments pledged to the Series 2017 Bonds Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). The District will acknowledge and agree that, although the Series 2017 Bonds were issued by the District, the Owners of the Series 2017 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer: (i) the District will agree that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2017 Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2017 Assessments relating to the Series 2017 Bonds Outstanding, the Outstanding Series 2017 Bonds or any rights of the Trustee under the Indenture (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2017 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent); (ii) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2017 Assessments relating to the Series 2017 Bonds Outstanding, the Series 2017 Bonds Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee; (iii) the District will agree that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, Trustee shall be deemed to have consented, on behalf of the

Majority Owners of the Series 2017 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent); (iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2017 Assessments relating to the Series 2017 Bonds Outstanding would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2017 Assessments relating the Series 2017 Bonds Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and (v) the District shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceedings or take any other action in such Proceedings, which is adverse to Trustee's enforcement or the District's claim and rights with respect to the Series 2017 Assessments relating to the Series 2017 Bonds Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right (i) to file a proof of claim with respect to the Series 2017 Assessments pledged to the Series 2017 Bonds Outstanding, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraph, nothing in the immediately preceding paragraph shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2017 Assessments relating to the Series 2017 Bonds Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (iv) or (v) above. See "BONDOWNERS' RISKS – Bankruptcy Risks" for more information regarding Indenture provisions relating to bankruptcy or insolvency of a landowner.

Certain Remedies upon an Event of Default

The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2017 Bonds:

- (a) if payment of any installment of interest on any Series 2017 Bonds is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2017 Bonds is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, which may be determined solely by the Majority Owners of each Series of the applicable Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2017 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than a majority in aggregate principal amount of the Series 2017 Bonds Outstanding; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the 2017 Reserve Account therein is less than the 2017 Reserve Account Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the 2017 Reserve Account Requirement on the Series 2017 Bonds and such amount has not been restored within thirty (120) days of such withdrawal.

(g) Any portion of the Series 2017 Assessments pledged to the Series 2017 Bonds shall have become delinquent and, as the result thereof, the Indenture authorizes the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in 2017 Reserve Account to pay the Debt Service Requirements on the Series 2017 Bonds (regardless of whether the Trustee does or does not actually withdraw such funds from the 2017 Reserve Account to pay the Debt Service Requirements on the Series 2017 Bonds) (the foregoing being referred to as a "2017 Reserve Account Event") unless within sixty (60) days from the 2017 Reserve Account Event the District has either paid to the Trustee (i) the amounts, if any, withdrawn from the 2017 Reserve Account or (ii) the portion of the Delinquent Assessment Principal and Delinquent Assessment Interest giving rise to the 2017 Reserve Account Event are no longer delinquent Assessments; and

(h) More than fifteen percent (15%) of the operation and maintenance Assessments that are directly billed by the District and levied by the District on tax parcels subject to the Series 2017 Assessments are not paid by the date such are due and payable and such default continues for sixty (60) days after the date when due.

The Series 2017 Bonds are not subject to acceleration. Upon an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2017 Bonds pursuant to Article VIII of the Master Indenture shall occur unless all of the Series 2017 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of such Series 2017 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2017 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of the Outstanding Series 2017 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2017 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2017 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2017 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2017 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2017 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series 2017 Bonds.

The Holders of a majority in aggregate principal amount of the Outstanding Series 2017 Bonds then subject to remedial proceedings under Article X of the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default with respect to the Series 2017 Bonds, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of delinquent Assessments that are directly billed and collected by the District, as well as delinquent direct billed operation and maintenance assessments, and the provisions for the foreclosure of liens of delinquent assessments that are directly billed and collected by the District, as well as delinquent direct billed operation and maintenance assessments, all in a manner consistent with the Indenture. All Series 2017 Assessments that are billed and collected directly by the District shall be due and payable by the applicable landowner no later than thirty (30) days prior to each Interest Payment Date and shall become delinquent thereafter.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2017 Bonds is the Series 2017 Assessments imposed on certain lands in the District specially benefited by the 2017 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY REPORT."

The determination, order, levy, and collection of Series 2017 Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Hillsborough County Tax Collector (the "Tax Collector") or the Hillsborough County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in a delay in the collection of, or the complete inability to collect, the Series 2017 Assessments during any year. Such delays in the collection of Series 2017 Assessments, or complete inability to collect Series 2017

Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2017 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2017 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2017 Bonds. The Act provides for various methods of collection of delinquent Series 2017 Assessments by reference to other provisions of the Florida Statutes. See "BONDOWNERS' RISKS." The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

Alternative Uniform Tax Collection Procedure for Series 2017 Assessments

Initially, the Landowners will directly pay the Series 2017 Assessments to the District. After District Lands are platted and assigned their respective tax folio numbers, the Series 2017 Assessments will be collected pursuant to the Uniform Method (as hereinafter defined). At such times as the Series 2017 Assessments are collected pursuant to the Uniform Method of collection, the provisions of this section shall become applicable. The Florida Statutes provide that, subject to certain conditions, non-ad valorem special assessments may be collected by using the uniform method (the "Uniform Method") of collection. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2017 Assessments to be levied and then collected in this manner. The District's election to use a certain collection method with respect to the Series 2017 Assessments does not preclude it from electing to use another collection method in the future, subject to the provisions of the Indenture. See "Foreclosure" below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method of collection is utilized, the Series 2017 Assessments will be collected together with County, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the Series 2017 Assessments, if any, being collected by the Uniform Method) are to be billed, and landowners in the District are required to pay, all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2017 Assessments. Upon any receipt of moneys by the Tax Collector from the Series 2017 Assessments, such moneys will be delivered to the District, which will remit such Series 2017 Assessments to the Trustee for deposit to the 2017 Revenue Account within the Revenue Fund, except that any Prepayments of Series 2017 Assessments shall be deposited to the Series 2017 Prepayment Subaccount within the Series 2017 Redemption Account of the Series 2017 Bond Redemption Fund created under the Indenture and applied in accordance therewith.

All County, school and special district, including the District, ad valorem taxes, non-ad valorem special assessments, including the Series 2017 Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds are payable at one time, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. In such cases, the Tax Collector does not accept such partial payment and the partial payment is returned to

the taxpayer. Therefore, in the event the Series 2017 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item would cause the Series 2017 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2017 Bonds.

Under the Uniform Method, if the Series 2017 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2017 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2017 Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2017 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, or (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2017 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2017 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2017 Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). The Tax Collector does not collect any money if tax certificates are "struck off" (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Series 2017 Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2017 Assessments, which are the primary source of payment of the Series 2017 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued or the property is placed on the list of lands available for sale, at a price equal to the face amount of the certificate or

portion thereof together with all interest, costs, charges and omitted taxes due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due. If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of delinquency, unsold lands escheat to the County in which they are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

Foreclosure

The following discussion regarding foreclosure is not applicable if the Series 2017 Assessments are being collected pursuant to the Uniform Method. In the event that the District itself directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the Series 2017 Assessments levied on the land within the District, Section 170.10, Florida Statutes provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including a Series 2017 Assessment, or the interest thereon, when due, the governing body of the entity levying the assessment is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes relating to foreclosure of municipal tax and special assessment liens. Such a proceeding is in rem, meaning that it is brought against the land not against the owner. In light of the one-year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely that the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage, rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2017 Assessments and the ability to foreclose the lien of such Series 2017 Assessments upon the failure to pay such Series 2017 Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2017 Bonds offered hereby and are set forth below. Prospective investors in the Series 2017 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2017 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2017 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2017 Bonds.

Concentration of Land Ownership

As of the date of delivery of the Series 2017 Bonds, the Landowners own all of the developable lands within the District that will initially be subject to the Series 2017 Assessments securing the Series 2017 Bonds. Payment of the Series 2017 Assessments is primarily dependent upon their timely payment by the Landowners and the other future landowners in the District owning lands subject to the Series 2017 Assessments. Non-payment of the Series 2017 Assessments by the Landowners would have a substantial adverse impact upon the District's ability to pay debt service on the Series 2017 Bonds. See "THE LANDOWNERS" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2017 BONDS" herein.

Bankruptcy Risks

In the event of the institution of bankruptcy or similar proceedings with respect to either of the Landowners or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2017 Bonds as such bankruptcy could negatively impact the ability of: (i) the Landowner(s) and any other landowner being able to pay the Series 2017 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2017 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2017 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2017 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2017 Bonds, including, without limitation, enforcement of the obligation to pay Series 2017 Assessments and the ability of the District to foreclose the lien of the Series 2017 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2017 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2017 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2017 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners." The District cannot express any view whether such delegation would be enforceable and none of the legal opinions provided in connection with the issuance of the Series 2017 Bonds will opine to the enforceability of such provision.

Series 2017 Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2017 Bonds is the timely collection of the Series 2017 Assessments. The Series 2017 Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Landowners or subsequent landowners will be able to pay the Series 2017 Assessments or that they will pay such Series 2017 Assessments even though financially able to do so. Neither the Landowners nor any other subsequent landowner has any personal obligation to pay the Series 2017 Assessments. Neither the Landowners nor any other subsequent landowner is a guarantor of payment of any Series 2017 Assessment and the recourse for the failure of the Landowners or any other subsequent landowner, to pay the Series 2017 Assessments is limited to the collection proceedings against the land as described herein. Therefore the likelihood of collection of the Series 2017 Assessments may ultimately depend on the market value of the land subject to taxation. While the ability of the Landowners or subsequent landowner to pay Series 2017 Assessments is a relevant factor, the willingness of the Landowners or subsequent landowner to pay the taxes, which may also be affected by the value of

the land subject to taxation, is also an important factor in the collection of Series 2017 Assessments. The failure of the Landowners or subsequent landowners to pay the Series 2017 Assessments could render the District unable to collect delinquent Series 2017 Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2017 Bonds.

Regulatory and Environmental Risks

The development of the Development is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals," herein for more information.

The value of the land within the District, the success of the Development and the likelihood of timely payment of principal and interest on the Series 2017 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2017 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for more information on the Landowners' environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the District lands.

Economic Conditions and Changes in Development Plans

The successful sale of the residential units, once such homes are built within the District may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Landowners. Moreover, the Landowners have the right to modify or change their plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes

The willingness and/or ability of an owner of benefited land to pay the Series 2017 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2017 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the

property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2017 Assessments. In addition, lands within the District may also be subject to assessments by property and home owner associations.

Limited Secondary Market for Series 2017 Bonds

The Series 2017 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2017 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2017 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2017 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2017 Bonds, depending on the progress of development of the Development and the lands within District, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of 2017 Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2017 Assessments, may not adversely affect the timely payment of debt service on the Series 2017 Bonds because of the 2017 Reserve Account. The ability of the 2017 Reserve Account to fund deficiencies caused by delinquent Series 2017 Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the 2017 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the 2017 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2017 Assessments, the 2017 Reserve Account could be rapidly depleted and the ability of the District to pay debt service could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the 2017 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the 2017 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2017 Assessments in order to provide for the replenishment of the 2017 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2017 Assessments, such landowners may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2017 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of Series 2017 Bond proceeds that can be used for such purpose.

IRS Examination and Village Center Technical Advice Memorandum

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in

the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the Agency found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its fund or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On March 9, 2016, the IRS released corrections to the transition rules in the proposed regulations providing that the new definition of political subdivision will not apply to bonds issued prior to the general applicability date, which is a date ninety (90) days after the proposed regulations are published in final form in the Federal Register. Accordingly, the proposed regulations, if finalized in their current form, would not be applicable to the Series 2017 Bonds, but may impact future series of bonds planned for the District.

It has been reported that the IRS has recently closed audits of other community development districts in Florida with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by [Eisenhower or its affiliates], and none were elected by qualified electors. [Eisenhower will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects.] Such certification does not ensure that such

certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2017 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2017 Bonds are advised that, if the IRS does audit the Series 2017 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2017 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2017 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2017 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2017 Bonds would adversely affect the availability of any secondary market for the Series 2017 Bonds. Should interest on the Series 2017 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2017 Bonds be required to pay income taxes on the interest received on such Series 2017 Bonds and related penalties, but because the interest rate on such Series 2017 Bonds will not be adequate to compensate Owners of the Series 2017 Bonds for the income taxes due on such interest, the value of the Series 2017 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2017 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2017 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2017 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2017 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2017 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

Since the Series 2017 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for political subdivisions, if the District is ever deemed by the IRS, judicially or otherwise, not to be a political subdivision for purposes of the Code, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2017 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2017 Bonds would need to ensure that subsequent transfers of the Series 2017 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

Federal Tax Reform

Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the Service may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have

the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2017 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2017 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2017 Bonds. See also "TAX MATTERS."

State Tax Reform

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2017 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors causing Failure to Complete the 2017 Project or the Construction of Homes in the District

There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2017 Project, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the 2017 Project. Further, pursuant to the Indenture, the District has covenanted, other than Bonds issued to refund a portion of Outstanding Series 2017 Bonds, the issuance of which as determined by the District results in present value debt service savings, to not, while any Series 2017 Bonds are outstanding, issue or incur any debt payable in whole or in part from the 2017 Trust Estate. In addition, the District covenants not to issue any other Bonds or other debt obligations secured by Special Assessments on assessable lands which are also encumbered by the Series 2017 Assessments for any capital project unless the Series 2017 Assessments have been Substantially Absorbed. Notwithstanding the above paragraph to the contrary, certain operation and maintenance assessments have and will continue to be levied upon the same lands subject to the Series 2017 Assessments; however, such assessments will not be available to pay debt service on the Series 2017 Bonds. The Series 2017 Assessments and the operation and maintenance assessments will have coequal lien status on the District Lands. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2017 BONDS – Additional Bonds" for more information.

Further, it is anticipated that the cost to finish the 2017 Project will exceed the net proceeds from the Series 2017 Bonds. Although [Eisenhower] will enter into a completion agreement at closing on the Series 2017 Bonds to complete the portion of the 2017 Project and any additional development infrastructure necessary to develop a sufficient number of lots to absorb the lien of the Series 2017

Assessments, there can be no assurance that [Eisenhower] will have sufficient resources to do so. Such obligation of [Eisenhower] is an unsecured obligation. In addition, even if sufficient lots are developed to absorb the lien of the Series 2017 Homes, there is the possibility that the Eisenhower may fail to close with D.R. Horton, or that D.R. Horton or Lennar Homes may not construct homes on such lots. See "THE DEVELOPMENT" herein for more information.

Payment of Series 2017 Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2017 Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District, which is the issuer of the Series 2017 Bonds, is a local unit of special purpose government of the State of Florida, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 15-6 of the Board of County Commissioners of Hillsborough County, Florida, effective on March 24, 2015 (the "Ordinance"). The District encompasses approximately 283.66 acres of land and is located in the unincorporated area of Hillsborough County, Florida. The District is located approximately one and one half (1.5) miles east of Highway 301, on the north side of Balm Road.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to and established in accordance with the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things: (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things, (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges, (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system, (iii) District roads equal to or exceeding the specifications of the county in which such district roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines, and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of lands of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2017 Bonds.

Board of Supervisors

The governing body of the District is its Board of Supervisors (the "Board"), which is composed of five Supervisors (the "Supervisors"). The Act provides that, at the initial meeting of the landowners,

Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below.

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Jeffery S. Hills*	Chairperson	November, 2019
Ryan Motko *	Vice-Chairperson	November, 2019
Gary Jernigan*	Assistant Secretary	November, 2017
Vacant	Assistant Secretary	
Vacant	Assistant Secretary	

* Employee of, or affiliated with, one of the Landowners.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained District Management Services, LLC, a Florida limited liability company d/b/a Meritus Districts, to serve as its district manager ("District Manager"). The District Manager's office is located at 2005 Pan Am Circle, Suite 120, Tampa, Florida 33607, telephone number (813) 873-7300.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Akerman LLP, Orlando, Florida, as Bond Counsel; Stantec, Inc., Tampa, Florida, as Consulting Engineer; and Straley & Robin, P.A., Tampa, Florida, as District Counsel. The Board has also retained _____ to serve as Methodology Consultant and Dissemination Agent for the Series 2017 Bonds.

Outstanding Bonds

The District previously issued its \$8,715,000 Carlton Lakes Community Development District Special Assessment Revenue Bonds, Series 2015, which are currently outstanding in the aggregate principal amount of \$_____ (the "Series 2015 Bonds"). The Series 2015 Bonds are secured by the Series 2015 Assessments levied on the first 424 residential lots platted within the District, which correspond to the 319 platted lots in Phases 1A, 1B1, 1B2, 1D1 and 1D2 of the Development and 105 platted lots in [Phase 2A/2B] of the Development. These lands are separate and distinct from the District Lands that will be subject to the Series 2017 Assessments securing the Series 2017 Bonds. The Series 2017 Assessments are not available to pay debt service on the Series 2017 Bonds, and the Series 2017 Assessments will not be available to pay debt service on the Series 2014 Bonds.

THE 2017 PROJECT

The District's plan of development calls for the District Lands to be developed in phases. The District previously issued its Series 2015 Bonds to fund a portion of the District's infrastructure. See "THE DISTRICT – Outstanding Bonds" for more information regarding the Series 2015 Bonds. [The infrastructure improvements funded with the Series 2015 Bonds have been substantially completed.] See "THE DEVELOPMENT – Update on Prior Phases of the Development" for more information.

In the Report of the District Engineer dated April 3, 2017 (as revised, the "Engineer's Report"), the District Engineer sets forth certain additional public improvements to be constructed in the District, including without limitation roads, water management and control facilities, sewer and wastewater management facilities, water supply facilities, landscaping and hardscaping in public areas, undergrounding of electric lines and certain amenities (collectively, the "2017 Project"). The 2017 Project includes certain master infrastructure for the District as well as the community infrastructure for the next 229 lots planned for development as Phases 1, 2A and 2B of the Carlton Lakes West portion of the Development. The Engineer's Report estimates the total cost to complete the 2017 Project to be approximately \$5,722,868, as set forth in more detail below. See "APPENDIX A: ENGINEER'S REPORT" for more information regarding the 2017 Project.

See "THE DEVELOPMENT" for the Landowners' expectations regarding the total costs for developing Phases 1, 2A and 2B of the Carlton Lakes West portion of the Development.

[The Developer has entered into a contract with _____ (the "Contractor") to construct a portion of the 2017 Project, and the Developer anticipates entering into additional agreements with the Contractor for the remaining portions of the 2017 Project.] The net proceeds of the Series 2017 Bonds available for the 2017 Project costs are expected to be approximately \$3.4 million. See "THE DEVELOPMENT – Land Acquisition and Development Finance Plan and Status" for more information regarding the development work performed and the costs spent to date in connection with the 2017 Project. [Eisenhower] will enter into a completion agreement at closing on the Series 2017 Bonds to complete the portion of the 2017 Project and any additional development infrastructure necessary to develop a sufficient number of lots to absorb the lien of the Series 2017 Assessments. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors causing Failure to Complete the 2017 Project or the Construction of Homes in the District." The District may issue additional bonds in the future in connection with other phases of the Development. See "SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2017 BONDS – Limitations on Additional Debt" for restrictions on the District's ability to issue additional bonds.

The District Engineer has indicated that all permits necessary to develop the 2017 Project have been obtained or are expected to be obtained in the ordinary course. In addition to the Engineer's Report, see "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

District Management Services, LLC, a Florida limited liability company d/b/a Meritus Districts (the "Methodology Consultant"), has prepared a Master Assessment Methodology Report dated September 22, 2015, as supplemented by the Second Supplemental Assessment Methodology Report dated _____, 2017, included herein as APPENDIX E (collectively, the "Assessment Methodology"). The Assessment Methodology sets forth an overall method for allocating the Series 2017 Assessments to be levied against the lands within the District benefited by the 2017 Project and collected by the District as a result thereof. Once the final terms of the Series 2017 Bonds are determined, the Assessment Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2017 Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2017 Bonds are payable from and secured solely by the 2017 Trust Estate, which consist primarily of the Series 2017 Assessments. The Series 2017 Assessments will be initially levied on an equal acre basis over ____ gross acres within the District, which consist of all District Lands less the developed and platted lands subject to the Series 2015 Assessments. As properties are developed and platted, the Series 2017 Assessments will be assigned to such properties in accordance with the Assessment Methodology. The Series 2017 Assessments will be absorbed by the next 229 residential lots that are platted in the District, which are expected to correspond to the remaining portions of Phases 1, 2A and 2B of the Carlton Lakes West portion of the Development. Phases 1, 2A and 2B are planned for a total of 334 lots, the first 105 lots of which have received an allocation of Series 2015 Assessments. See "APPENDIX E: ASSESSMENT METHODOLOGY REPORT."

Upon platting of the next 229 lots in the Development, the estimated Series 2017 Assessments to be levied to pay debt service on the Series 2017 Bonds and the Series 2017 Bonds par per unit are set forth below.

Product	Number of Planned Units*	Annual Series 2017 Assessment*	Series 2017 Bonds Total Par Per Unit*
Single Family 40'	101	\$1,000	\$14,944
Single Family 50'	108	\$1,250	\$18,680
Single Family 60'	<u>20</u>	\$1,500	\$22,416
Total	229		

* Preliminary, subject to change. [The Series 2017 Assessments include an eight percent (8%) gross up to account for fees of the Property Appraiser and Tax Collector (4%) and exclusion of the statutory early payment discount (up to 4%).]

Each homeowner in the District will pay annual taxes, assessment and fees on an ongoing basis as a result of its ownership of property within the District, including local ad valorem property taxes, the maintenance and operating assessments to be levied by the District, and the homeowners' association assessments to be levied by the homeowners' association. The District anticipates levying assessments to cover its operation and administrative costs that will be approximately \$____ per unit annually, which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate in the District is currently approximately 19.09 mills. These taxes would be payable in addition to

the Series 2017 Assessments and any other assessments levied by the District and other taxing authorities. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Hillsborough County, Florida may each levy ad valorem taxes upon the District Lands. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information, including proposed associations' assessments.

Set forth on the following page is a map of the District which depicts the lands which have absorbed and are expected to absorb the Series 2015 Assessments and the Series 2017 Assessments.

The information appearing below under the captions "THE DEVELOPMENT" and "THE LANDOWNERS" has been furnished by Eisenhower and the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by the District or its counsel, or by the Underwriter or its counsel, and no persons other than Eisenhower and the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them.

The following information is provided by Eisenhower and the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. Eisenhower's obligations to pay the Series 2017 Assessments are no greater than the obligation of any other subsequent landowner within the District. Neither Eisenhower nor the Developer is a guarantor of payment on any property within the District, and the recourse for Eisenhower's or any subsequent landowners' failure to pay the Series 2017 Assessments is limited to their respective ownership interests in the property.

THE DEVELOPMENT

General

The boundaries of the District include a total of approximately 283.66 acres of land, which are being developed as a single-family residential community known as Carlton Lakes (the "Development"). The Development is located in the unincorporated portion of Hillsborough County, Florida (the "County") approximately one and one half (1.5) miles east of Highway 301, on the north side of Balm Road.

The Development is currently planned for 759 single-family residential units and is being developed in phases. Development in the eastern portion of the Development, which was financed in part by the District's Series 2015 Bonds, began in January 2015, with 319 lots developed and completed to date. See "—Update on Prior Phases of the Development" for more information. Development in the western portion of the Development (also referred to as "Carlton Lakes West") began in _____, and is planned for 334 single-family residential units at build out. See "—Lot Status and Residential Product Offerings" herein for more information. To date, _____ lots in Phases 1 and 2A of Carlton Lakes West have been platted, of which 105 lots are subject to the Series 2015 Assessments. See "—Development Finance Plan and Status herein.

Currently, all of the District Lands expected to absorb the Series 2017 Assessments are owned by Eisenhower Property Group, L.L.C., a Florida limited liability company ("Eisenhower") and by Lennar Homes, LLC, a Florida limited liability company ("Lennar Homes" and, together with Eisenhower, the "Landowners"). The lands owned by Lennar Homes in Carlton Lakes West are planned for 229 single-family residential units. Lennar Homes is independently developing and building out its lands. The lands owned by Eisenhower in Carlton Lakes West are planned for 105 single-family residential units and are being developed by Southfork Lakes West Development, LLC, a Florida limited liability company (the "Developer"), which is an affiliate of Eisenhower. Eisenhower has entered into a contract with D.R. Horton, Inc. ("D.R. Horton") for the sale of all 105 developed lots planned for its lands. See "—The Builders" below and "THE LANDOWNERS" herein for more information.

Update on Prior Phases of the Development

Development began in January 2015 in the eastern portion of the Development and was financed in part by the proceeds of the District's Series 2015 Bonds. To date, 319 single-family residential lots

have been developed and platted in the Development's eastern portion.† [UPDATE: As of May 1, 2017, ____ lots in the eastern portion of the Development were under contract with homebuilders, with ____ lots closed.]

The Series 2015 Bonds are secured by the Series 2015 Assessments, which are levied against the 319 platted lots in the eastern portion of the Development and 105 platted lots in the Carlton Lakes West portion of the Development. The Series 2015 Assessments are levied on lots which are separate and distinct from the lands on which the Series 2017 Assessments are levied.

Land Acquisition

Eisenhower acquired its lands in the Carlton Lakes West portion of the Development (which includes lands that are not subject to the Series 2017 Assessments) in June 2014 for approximately \$3,500,100. [Eisenhower's lands are subject to a mortgage in favor of AgAmerica AV1, LLC, securing a loan in the original and current outstanding principal amount of approximately \$4,300,300, which loan accrues interest at 12% and is due and payable on December 31, 2017.] [Remaining mortgages?]

Lennar Homes acquired its lands in the District from Eisenhower in March 2017 for a purchase price of approximately \$9,882,000. [Lennar Homes' land is not subject to a mortgage.]

Development Finance Plan and Status

The District is funding the construction of a portion of the 2017 Project, which consists of the master and community infrastructure associated with developing and platting 229 lots in Phases 1, 2A and 2B of the Carlton Lakes West portion of the Development. The 2017 Project is estimated by the District Engineer to cost approximately \$5,722,868, with net proceeds of the Series 2017 Bonds expected to be approximately \$3.4 million. [Eisenhower] will enter into a completion agreement at closing on the Series 2017 Bonds to complete the portion of the 2017 Project and any additional development infrastructure necessary to develop a sufficient number of lots to absorb the lien of the Series 2017 Assessments. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors causing Failure to Complete the 2017 Project or the Construction of Homes in the District."

In addition to the 2017 Project, the Developer anticipates that approximately \$_____ in costs will be needed to develop the 229 lots anticipated to absorb the lien of the Series 2017 Bonds. [As of the date hereof, the Developer has spent approximately \$2.4 million in 2017 Project costs, consisting primarily of soft costs. – DOES THIS INCLUDE MASS GRADING COSTS?]

[The Developer has entered into a contract with _____ (the "Contractor") to construct a portion of the 2017 Project and anticipates entering into additional agreements with the Contractor for the remaining portions of the 2017 Project.] Development work on the 2017 Project commenced in March 2017. All mass grading for the 2017 Project has been completed. The Developer anticipates that platting will occur in July 2017, and the 2017 Project will be completed in August 2017. [Status of Lennar development?]

[DISCUSSION OF 105 ADDITIONAL LOTS IN CARLTON LAKES WEST? 25 D.R. HORTON LOTS OUTSIDE OF DISTRICT??]

† An additional 105 single-family residential units are planned for the eastern portion of the Development. A rezoning petition to allow the development of such units is pending.

The Builder

The Developer has entered into a Lot Purchase Agreement dated December ____, 2016, as amended (the "Builder Contract") with D.R. Horton, Inc., a Delaware corporation ("D.R. Horton"), to purchase 194 fully developed residential lots, consisting of 123 fifty-foot lots and 71 forty-foot lots. Of the total 194 lots that are the subject of the Builder Contract, [105 are located within the District, with the remainder planned for certain lands adjacent to the District. – DISCUSS POSSIBLE ANNEXATION?] Pursuant to the Builder Contract, D.R. Horton has made an initial deposit of \$25,000[, with an additional deposit of \$840,325 upon expiration of the inspection period – HAS THIS EXPIRED?]. [The full deposit may be released to the Developer upon recording of a mortgage securing the return of the deposit in favor of D.R. Horton.]

The Builder Contract provides that D.R. Horton shall purchase the lots in a series of two closings, with the first 97 lots purchased at the "Initial Closing," and the remaining lots purchased 365 days after the Initial Closing. Pursuant to the Builder Contract, the Initial Closing will take place 15 days after the later of (a) the Substantial Completion Date (which is the date that D.R. Horton receives notice that all closing conditions, including plat approval, have been met) or (b) the date that D.R. Horton delivers a notice of suitability to the Developer. The Builder Contract provides for a deadline of December 15, 2015 for the completion of all closing conditions. The purchase price is \$925 per front foot per lot for the first 97 lots and \$1,000 per front foot for the remaining lots. There is a risk that D.R. Horton does not close on any lots pursuant to the Builder Contract. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors causing Failure to Complete the 2017 Project or the Construction of Homes in the District" herein.

[D.R. Horton info – to come.]

D.R. HORTON DOES NOT HAVE ANY LIABILITY, NOR IS IT GUARANTEEING ANY OF THE DEVELOPER'S OR EISENHOWER'S OBLIGATIONS WITH RESPECT TO THE 2017 PROJECT OR ITS COMPLETION OR ANY OF THE DEVELOPER'S OR EISENHOWER'S OTHER OBLIGATIONS INCURRED IN CONNECTION WITH THE ISSUANCE OF THE SERIES 2017 BONDS OR PAYMENT OF THE SERIES 2017 ASSESSMENTS.

Lot Status and Residential Product Offerings

The following table reflects the Developer's current expectations for the single-family units to be constructed in the Carlton Lakes West portion of the Development, along with the number of developable units, bedrooms, bathrooms, square footages, estimated purchase prices per developed lots and estimated home prices, all of which are subject to change. The table includes all 334 single-family units planned for the Carlton Lakes West portion of the Development. Only 229 lots within Carlton Lakes West will absorb the Series 2017 Assessments, with the first 105 platted lots being subject to the Series 2015 Assessments.

<u>Product</u>	<u>Units</u>	<u>Square Feet</u>	<u>Beds/ Baths</u>	<u>Purchase Price per Developed Lot</u>	<u>Estimated Home Prices</u>
Single Family 40'	103	2,200 – 3,000		\$36,000	\$200,000 - \$250,000
Single Family 50'	176	2,400 – 3,400		\$45,000	\$250,000 - \$300,000
Single Family 60'	<u>55</u>	2,800 – 4,000		\$54,000	\$300,000 - \$350,000
Total	334				

The Developer anticipates that D.R. Horton and Lennar Homes will each have an onsite sales center and model homes, which are expected to be completed in the fourth quarter of 2017. The Developer anticipates the following number of homes will be sold to residential end users in the following years: 110 units in 2018, 120 units in 2019, and 104 units in 2020. These anticipated absorption rates are based upon estimates and assumptions made by Developer that are inherently uncertain, though considered reasonable by Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of Developer. As a result, there can be no assurance such absorption rates will occur or be realized in the time frames anticipated.

Development Approvals

Currently the Carlton Lakes West portion of the Development is zoned for 412 single-family residential units and planned for only 334. Phases 1, 2A and 2B, containing [325] single-family units, have received construction plan approval. The District Engineer has indicated that all permits necessary to develop the 2017 Project have been obtained or are expected to be received in the ordinary course. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks."

Environmental

Eisenhower received a Phase 1 Environmental Site Assessment dated August 7, 2014, from AEI Consultants, which included the District Lands expected to absorb the Series 2017 Assessments and certain additional lands. The Phase 1 Environmental Site Assessment identified one REC on such lands: the northeastern corner of the subject property had been historically utilized as an outdoor shooting range; however, the large soil berms that were identified as a REC are outside of the District's boundaries. Eisenhower also received a Phase 1 Environmental Site Assessment dated October 2014, from Conestoga-Rovers & Associates, which identified the same REC on the lands as identified in the Phase 1 Environmental Site Assessment performed by AEI Consultants. See "BONDOWNERS' RISK – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

Taxes, Assessments and Fees

Each homeowner in the District will pay annual taxes, assessment and fees on an ongoing basis as a result of its ownership of property within the District, including local ad valorem property taxes, the maintenance and operating assessments to be levied by the District, and the homeowner association assessments to be levied by the homeowners' association. Upon full platting, 229 units in Phases 1, 2A and 2B of Carlton Lakes West are expected to absorb the lien of the Series 2017 Assessments. Upon platting, the estimated Series 2017 Assessments levied and allocated to platted units to pay debt service on the Series 2017 Bonds, and the estimated Series 2017 Bonds par per unit are expected to be as follows:

[Remainder of page intentionally left blank.]

Product	Number of Planned Units*	Annual Series 2017 Assessment*	Series 2017 Bonds Total Par Per Unit*
Single Family 40'	101	\$1,000	\$14,944
Single Family 50'	108	\$1,250	\$18,680
Single Family 60'	<u>20</u>	\$1,500	\$22,416
Total	229		

* Preliminary, subject to change. [The Series 2017 Assessments include an eight percent (8%) gross up to account for fees of the Property Appraiser and Tax Collector (4%) and exclusion of the statutory early payment discount (up to 4%).]

The Developer anticipates that the District will levy assessments to cover its operation and administrative costs that will be approximately \$___ per unit annually; which amount is subject to change. In addition, single-family residents will be required to pay homeowners' association fees for both a master and neighborhood homeowner's association which are currently estimated to be approximately \$___ per residential unit annually, respectively; which amounts are subject to change.

The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate in the District is currently approximately 19.09 mills. These taxes would be payable in addition to the Series 2017 Assessments and any other assessments levied by the District and other taxing authorities. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Hillsborough County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

Children residing in the Development are expected to attend Summerfield Elementary School, Eisenhower Middle School and East Bay High School, which are located within 3.5 miles, 4.5 miles and 4.4 miles away from the Development, respectively. The Hillsborough County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Utilities

Electric utilities will be provided to the Development by Tampa Electric Company. Potable water and sanitary sewer service to the Development will be provided by the County. See "Development Approvals" for the status of approvals and certificates of capacity received for units in the Development.

Competition

The Development is expected to compete with projects in the southern Hillsborough County market generally, which include Ayerworth Glen, Belmont, Cypress Creek, DG Farms, Enclave at Ramble Creek, Forest Glenn, Hawks Point, Mirabella, Park Creek, South Fork, South Fork East, The Estuary, The Oaks at Shady Creek, Triple Creek, and Waterleaf, some of which are being developed by the Builders. The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development

THE LANDOWNERS

Developer

Southfork Lakes West Development, LLC, a Florida limited liability company (the "Developer"), is currently overseeing the development of the District Lands (other than the lands owned by Lennar Homes, as described below). The Developer was organized on December 2, 2016, and its sole member and manager is Jeffrey "Jeff" S. Hills.

Jeff Hills is a former civil engineer and a licensed Professional Engineer in the State. Lennar Homes

Lennar Homes, LLC, a Florida limited liability company ("Lennar Homes" and, together with Eisenhower, the "Landowners") is the owner of approximately 55.5 acres of District Lands, which are planned for 229 single-family residential units, of which 124 units are expected to absorb the lien of the Series 2017 Assessments. Lennar Homes is wholly owned by Lennar Corporation ("Lennar Corp.").

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Bond Counsel, the proposed form of which is included as APPENDIX C hereto, the interest on the Series 2017 Bonds is excludable from federal gross income and is not a specific item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations under existing statutes, regulations, published rulings and court decisions. However, interest on the Series 2017 Bonds is taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax imposed on certain corporations pursuant to the Internal Revenue Code of 1986, as amended (the "Code"). Failure by the District to comply subsequent to the issuance of the Series 2017 Bonds with certain requirements of the Code, regarding the use, expenditure and investment of bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2017 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issue. The District has covenanted in the Indenture to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2017 Bonds for purposes of federal income taxation. In rendering this opinion, Bond Counsel has assumed continuing compliance with such covenant.

Internal Revenue Code of 1986

The Code contains a number of provisions that apply to the Series 2017 Bonds, including, among other things, restrictions relating to the use of investment of the gross proceeds of the Series 2017 Bonds and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2017 Bonds to the Treasury of the United States. Noncompliance with such provisions may result in interest on the Series 2017 Bonds being included in gross income for federal income tax purposes retroactive to their date of issue.

Collateral Tax Consequences

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2017 Bonds. Prospective purchasers of the Series 2017 Bonds should be aware that the ownership of the Series 2017 Bonds may result in collateral federal tax consequences. For example, ownership of the Series 2017 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2017 Bond, (2) the branch profits tax, and (3) the inclusion of interest on the Series 2017 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2017 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2017 BONDS, AS THE CASE MAY BE, AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL OR

CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE BONDHOLDERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Other Tax Matters

Bond Counsel is further of the opinion that the Series 2017 Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220, Florida Statutes. Interest on the Series 2017 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2017 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2017 Bonds in their particular state or local jurisdictions.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2017 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2017 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2017 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2017 Bonds.

[Tax Treatment of Original Issue Discount]

[Under the Code, the difference between the maturity amount of the Series 2017 Bonds maturing on _____, 20__ through and including _____, 20__ (collectively, the "Discount Bonds") and the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity and if applicable, interest rate, was sold is "original issue discount." For federal income tax purposes, original issue discount will accrue over the term of the Discount Bonds at a constant interest rate compounded on each interest payment date (or over a shorter permitted compounding interval selected by the Owner). A purchaser who acquires the Discount Bonds in the initial offering at a price equal to the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal tax purposes equal to the original issue discount accruing during the period he or she holds the Discount Bonds subject to the same considerations discussed above, and will increase his or her adjusted basis in the Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or disposition of the Discount Bonds. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of the Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Bondholders of the Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of the Discount Bonds and with respect to the state and local tax consequences of owning and disposing of the Discount Bonds.]

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2017 Bonds, that it will not limit or alter the rights of the District to own, acquire,

construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2017 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2017 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to "accredited investors" does not denote restrictions on transfer in any secondary market for the Series 2017 Bonds. Investment in the Series 2017 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2017 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2017 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2017 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2017 Bonds, or in any way contesting or affecting (i) the validity of the Series 2017 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2017 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Landowners

Each of the Landowners has represented that there is no litigation of any nature now pending or, to the knowledge of such Landowner, threatened, which could reasonably be expected to have a material and adverse effect upon the ability to complete the development of the District or to complete the 2017

Project as described herein, or materially and adversely affect the ability of the Landowners to pay the Series 2017 Assessments imposed against the land within the District owned by the Landowners, respectively or to otherwise perform their various respective obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the Consulting Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2017 Bonds. Except for the payment of fees to District Counsel, the Consulting Engineer and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2017 Bonds.

NO RATING

No application for a rating for the Series 2017 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2017 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX A to this Limited Offering Memorandum has been prepared by Stantec, Inc., Tampa, Florida, the Consulting Engineer. APPENDIX A should be read in its entirety for complete information with respect to the subjects discussed therein. District Management Services, LLC d/b/a Meritus Districts, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX E hereto. APPENDIX E should be read in its entirety for complete information with respect to the subjects discussed therein.

FINANCIAL INFORMATION

This District will covenant in a Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX D hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX D, commencing with the audit for the District fiscal year ended [September 30, 2016]. Attached hereto as APPENDIX F is a copy of the District's most recent audited financial statement for the District's fiscal year ended September 30, [2015], as well as a copy of the District's most recent unaudited financial statements for the period ended _____, 2017. Such audited financial statements, including the auditor's report included within the audited financial statements, have been included in this Limited Offering Memorandum as publicly available documents and consent from the auditor was not requested. Further, the auditors have not performed any services related to, and therefore are not associated with, the preparation of this Limited Offering Memorandum. The Series 2017 Bonds are not general obligation bonds of the District and are payable solely from the 2017 Pledged Revenues.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. The District does have a website and it is <http://carltonlakescdd.org/>.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default as to principal and interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District and the Landowners will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX D, for the benefit of the Series 2017 Bondholders (including owners of beneficial interests in such Series 2017 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX D: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Landowners to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2017 Bondholders (including owners of beneficial interests in such Series 2017 Bonds), as applicable, to bring an action for specific performance.

The District has previously entered into a continuing disclosure undertaking with respect to its Series 2015 Bonds. A review of filings made pursuant to such prior undertaking indicates that certain filings were not timely made and that notice of such late filings was not always provided.

[Eisenhower – continuing disclosure review to come]

Lennar Homes has represented and warranted that, to its knowledge, it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The Developer has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The Developer has represented that it has instituted internal processes to provide information to the dissemination agents on a timely basis and obtained assurances from the dissemination agents that they will in turn request the required reporting information timely and file such information timely with the appropriate repository.

The District and the Developer fully anticipate satisfying their future disclosure obligations required pursuant to its Continuing Disclosure Agreements and the Rule. The District will appoint _____ as the dissemination agent in the Disclosure Agreement.

(the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2017 Bonds from the District at a purchase price of \$_____ (representing the par amount of the Series 2017 Bonds less [original issue discount of \$_____ and] an Underwriter's discount of \$_____). The Underwriter intends to offer the Series 2017 Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2017 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

Hillsborough County, Florida

Dear Ladies and Gentlemen:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with the Carlton Lakes Community Development District (the "District"). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$_____ aggregate principal amount of Carlton Lakes Community Development Special Assessment Revenue Bonds, Series 2017 (the "Bonds"). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Bonds shall be \$_____ (representing the \$_____ aggregate principal amount of the Bonds, [less original issue discount of \$_____ and] less an underwriter's discount of \$_____) (such payment and delivery and the other actions contemplated hereby to take place at the time of such payment and delivery being hereinafter referred to as the "Closing").

2. The Bonds. The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (the

"Act"), by Ordinance No. 15-6 of the Board of County Commissioners of the County, adopted on March 24, 2015 and effective as of March 25, 2015 (the "Ordinance"). The Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of December 1, 2015 (the "Master Indenture"), as supplemented by a Second Supplemental Trust Indenture dated as of _____, 2017 (the "Second Supplemental Indenture," and together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank National Association, as trustee (the "Trustee"), and Resolutions 2015-22, 2015-27, 2015-30 and 2017-____ adopted by the Board of Supervisors of the District (the "Board") on April 2, 2015, May 28, 2015, September 22, 2015 and May ___, 2017, respectively (collectively, the "Bond Resolution"). 3. Underwriting. It shall be a condition to the District's obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof. The Underwriter agrees to deliver at the Closing a certificate in form satisfactory to Bond Counsel, in its reasonable opinion, as to the initial offering prices or yields of the Bonds.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and provided to the Underwriter its Preliminary Limited Offering Memorandum dated May _____, 2017 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds, being herein collectively called the "Preliminary Limited Offering Memorandum"), relating to the Bonds, which the District has deemed final as of its date, except for certain permitted omissions (the "permitted omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Underwriter to circulate and use the Preliminary Limited Offering Memorandum in connection with the limited offering of the Bonds. The District, at its expense, shall deliver or cause to be delivered to the Underwriter, within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date (as defined below) and in sufficient time to allow the Underwriter to comply with all of the requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated _____, 2017 (such Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds, being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda"). The District has complied, and on the Closing Date will be in compliance in all material respects, with the terms of the Act and with the obligations on its part contained in the Bond Resolution, the Assessment Resolution, the Financing Documents, the Ancillary Agreements to which it is a party and the Bonds;

(c) At meetings of the Board that were duly called and noticed and at which a quorum was present and acting throughout, the Board duly adopted the Bond Resolution and the Assessment Resolution, and the same are in full force and effect and have not been supplemented, amended, modified or repealed, except as set forth therein. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Bonds, the Financing Documents or the Ancillary Agreements to which the District is a party;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which (i) are required for the due authorization by the District, or (ii) would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the District, of its obligations to issue the Bonds, or under the Bonds, the Bond Resolution, the Assessment Resolution, Financing Documents or the Ancillary Agreements have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds;

(g) The Bonds, when issued, executed and delivered in accordance with the Indenture and when delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture, and upon such issuance, execution and delivery of the Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Bonds, a legally valid and binding pledge of the Series 2017 Trust Estate. On the Closing Date, all conditions precedent to the issuance of the Bonds set forth in the Indenture will have been complied with or fulfilled;

Re: \$_____ Carlton Lakes Community Development District (Hillsborough County,
 Florida) Special Assessment Revenue Bonds, Series 2017

Ladies and Gentlemen:

[Customary introduction/qualifications]

The District has been established and validly exists as a community development district and independent local unit of special purpose government under applicable Florida law. The Bond Purchase Contract, the Indenture, the DTC Letter of Representations, and the Continuing Disclosure Agreement (collectively, the "Financing Documents") and [the Funding and Completion Agreement dated _____, 2017 (the "Completion Agreement"), by and between the District and Eisenhower Property Group, L.L.C., a Florida limited liability company (the "Eisenhower" and, together with Lennar Homes, LLC, the "Landowners"), the Collateral Assignment and Assumption of Development Rights Relating to Project dated _____, 2017, by and between the District and the Landowners (the "Collateral Assignment"), the Development Acquisition Agreement dated _____, 2017, by and between the District and the Landowners (the "Acquisition Agreement"), the Agreement to Convey or Dedicate to be dated as of the Closing Date by and between the District and the Landowners (the "Agreement to Convey"), and the True Up Agreement dated _____, 2017, by and between the District and the Landowners (the "True Up Agreement", and together with the Completion Agreement, the Collateral Assignment, the Acquisition Agreement, and the Agreement to Convey, the "Ancillary Agreements")]

regarding the levy and collection of the Series 2017 Assessments using the uniform method for the collection of non ad-valorem assessments pursuant to Section 197.3632, Florida Statutes, as amended, and the Bonds have been duly authorized, executed and delivered, and assuming due execution by the other party(ies) thereto, if applicable, the Financing Documents, the Ancillary

Agreements, the Bonds, Resolutions 2015-22, 2015-27, 2015-30 and 2017-____ adopted by the Board of Supervisors of the District (the "Board") on April 2, 2015, May 28, 2015, September 22, 2015 and May ___, 2017, respectively (collectively, the "Bond Resolution"), Resolution No. 201__-__, Resolution No. 201__-__, and Resolution No. 201__-__, of the District adopted on _____, 2017, _____, 2017, and _____, 2017 respectively (collectively, the "Assessment Resolutions"), constitute legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, except to the extent that the enforceability of the rights and remedies set forth therein may be limited by bankruptcy, insolvency, and similar laws affecting creditors' rights generally and general principles of equity.

1. There is no litigation or other proceeding now pending of which the District or its registered agent has received notice or service of process, or to our best knowledge, threatened against the District: (a) contesting the existence or powers of the board or the titles of the respective officers of the Board to their respective offices; (b) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda (as defined herein) or the collection of Series 2017 Assessments or the pledge of and lien on the Series 2017 Pledged Revenues pursuant to the Indenture; (c) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District relating to authorization for the issuance of the Bonds or the authorization of the Project, the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements, or the application of the proceeds of the Bonds for the purposes set forth in the Limited Offering Memoranda; (d) specifically contesting the federal or state tax status of the Bonds; or (e) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto.

2. The District has duly authorized and delivered the Preliminary Limited Offering Memorandum dated May ___, 2017 (the "Preliminary Limited Offering Memorandum"), and duly authorized, execute and delivered the Limited Offering Memorandum dated _____, 2017 (the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, collectively, the "Limited Offering Memoranda").

3. Based upon our representation of the District as its Counsel and our limited participation in the preparation of the Limited Offering Memoranda, we have no reason to believe that the statements and information contained in the Limited Offering Memoranda under the captions (including all subcaptions thereunder unless hereinafter excluded) "INTRODUCTION," "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2017 BONDS," "ENFORCEMENT OF ASSESSMENT COLLECTIONS", "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "AGREEMENT BY THE STATE," "CONTINUING DISCLOSURE," "LITIGATION – The District," "DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS," "VALIDATION," and "AUTHORIZATION AND APPROVAL" are not true and accurate and as of their respective dates did not, and as of the date of Closing do not, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

4. The District is not, in any manner material to the issuance of the Bonds, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State or the United States, or to the best of our knowledge, any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement, or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax laws or with any state "Blue Sky" or other securities laws, as may be applicable.

5. The execution and delivery of the Bonds, the Financing Documents, the Ancillary Agreements, to which the District is a party, and the adoption of the Bond Resolution and the Assessment Resolutions and compliance with the provisions on the District's part contained therein will not conflict with or constitute a breach of or default under any applicable constitutional provision or law, or to the best of our knowledge, under any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as expressly provided by the Bonds and the Indenture. To the best of our knowledge after due inquiry, the District has taken no action which, with the lapse of time or the giving of notice, or both would constitute a material default or event of default by the District under the Bonds, the Financing Documents or the Ancillary Agreements.

6. To the best of our knowledge after investigation, all consents, permits or licenses, and all notices to or filings with governmental authorities necessary for the consummation by the District of the transactions described in the Limited Offering Memoranda and contemplated by the Indenture required to be obtained or made, have been obtained or made or there is no reason to believe they will not be obtained or made when required, provided that no opinion is expressed as to the applicability of or compliance with tax laws, state "Blue Sky" laws or other securities laws.

7. The District has the right and authority under the Act and other state law to adopt the Bond Resolution and the Assessment Resolutions, to issue the Bonds, to undertake the Project, to issue the Bonds and to levy the Series 2017 Assessments that will secure the Bonds, and has duly adopted the Bond Resolution and the Assessment Resolutions.

8. All proceedings undertaken by the District with respect to the Series 2017 Assessments securing the Bonds, including adoption of the Assessment Resolutions, were undertaken in accordance with Florida law, and the District has taken all necessary action as of the date hereof to levy and impose the Series 2017 Assessments. The Series 2017 Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Series 2017 Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

9. The Bonds have been validated by a final judgment of the Circuit Court in and for Hillsborough County, Florida, of which no timely appeal was filed.

10. The District has the full power and authority to own and operate the 2017 Project.

All conditions prescribed in the Indenture and the Purchase Contract to be performed by the District as precedent to the issuance of the Bonds have been fulfilled.

Very truly yours,

Section 503. Trustee's Duties. Except as otherwise expressly stated in this Second Supplemental Indenture, nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article XI thereof, all of which shall apply to the actions of the Trustee under this Second Supplemental Indenture.

Section 504. Brokerage Confirmations. The Trustee will furnish the District periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

ARTICLE VI MISCELLANEOUS

Section 601. Confirmation of Master Indenture. As supplemented by this Second Supplemental Indenture, the Master Indenture is in all respect ratified and confirmed, and this Second Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this Second Supplemental Indenture and to the Series 2017 Bonds issued hereunder. To the extent of any conflicts between the terms and provisions of the Master Indenture and this Second Supplemental Indenture the terms and provisions hereof shall control.

Section 602. Additional Covenant Regarding 2017 Assessments. In addition, and not in limitation of, the covenants contained elsewhere in this Second Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the proceedings heretofore adopted with respect to the 2017 Assessments, including the assessment methodology, prepared by Meritus Districts (the "Report"), and to levy the 2017 Assessments and any required true up payments as set forth in the Report, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2017 Bonds, when due. The District also agrees that it shall not amend the Report in any material manner without the written consent of the Majority Owners.

Section 603. Limitation on Additional Debt. Other than Bonds issued to refund a portion of Outstanding Series 2017 Bonds, the issuance of which as determined by the District results in present value debt service savings, the District shall not, while any Series 2017 Bonds are outstanding, issue or incur any debt payable in whole or in part from the 2017 Trust Estate. In addition, the District covenants not to issue any other Bonds or other debt obligations secured by Special Assessments on assessable lands which are also encumbered by the Series 2017 Assessments for any capital project unless the Series 2017 Assessments have been Substantially Absorbed. The District may issue Bonds or other debt obligations secured by Special Assessments on assessable lands not encumbered by the Series 2017 Assessments without limitation except as limited by the documents pursuant to which such Bonds or debt are issued. The Trustee and the District may rely on a certificate from the District Manager regarding such status of the residential units and the Series 2017 Assessments and in the absence of receipt of such certificate, may assume Substantial Absorption has not occurred.

Section 604. Additional Matters Relating to Delinquent Assessments.

(a) Notwithstanding anything herein or in the Master Indenture to the contrary, the following provisions shall apply with respect to the Series 2017 Assessments and Series 2017 Bonds: If any property shall be offered for sale for the nonpayment of any Series 2017 Assessments, and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2017 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the District, after receiving the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2017 Outstanding, specifying whether the District is to take title to the property in its corporate name or in the name of a special purpose entity, may purchase the property for an amount less than or equal to the balance due on the

Series 2017 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special-purpose entity title to the property for the benefit of the Owners of the Series 2017 Bonds. The District, either through its own actions, or actions caused to be taken by the District through the Trustee, shall have the power to and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the 2017 Revenue Account. The District, either through its own actions, or actions caused to be taken by the District through the Trustee, agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the Owners of the Series 2017 Bonds within sixty (60) days after the receipt of the request therefore signed by the Trustee, acting at the direction of the Majority Owners of the Series 2017 Outstanding . The District may pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture, provided such action does not adversely impact the tax-exempt status of the interest on the Series 2017 Bonds.

(b) Notwithstanding anything to the contrary herein or in the Master Indenture, the District acknowledges and agrees that (i) upon failure of any property owner to pay when due any installment of Series 2017 Assessments that are billed directly by the District, that the entire Series 2017 Assessments levied on the property for which such installment of Series 2017 Assessments is due and unpaid, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and, with the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2017 Bonds Outstanding, the District shall promptly, but in any event within one hundred twenty (120) days of the receipt of such consent, cause to be brought the necessary legal proceedings for the foreclosure of liens of the delinquent Series 2017 Assessments, including interest and penalties and (ii) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Section 605. Additional Matters Relating to Series 2017 Assessments and Assessment Proceedings. The District covenants and agrees that upon the occurrence and continuance of an Event of Default with respect to the Series 2017 Bonds, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of delinquent Assessments that are directly billed and collected by the District, as well as delinquent direct billed operation and maintenance assessments, and the provisions for the foreclosure of liens of delinquent assessments that are directly billed and collected by the District, as well as delinquent direct billed operation and maintenance assessments, all in a manner consistent with the Master Indenture and this Second Supplemental Indenture. All Series 2017 Assessments that are billed and collected directly by the District shall be due and payable by the applicable landowner no later than thirty (30) days prior to each Interest Payment Date and shall become delinquent thereafter.

Section 606. Additional Matters Relating to Events of Default.

In addition to the events set forth in Section 10.02 of the Master Indenture, each of the following events shall be an Event of Default with respect to the Series 2017 Bonds, notwithstanding anything to the contrary in the Master Indenture:

Any portion of the Series 2017 Assessments pledged to the Series 2017 Bonds shall have become delinquent and, as the result thereof, the Indenture authorizes the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in 2017 Reserve Account to pay the Debt Service Requirements on the Series 2017 Bonds (regardless of whether the Trustee does or does not actually withdraw such funds from the 2017 Reserve Account to pay the Debt Service Requirements on the Series 2017 Bonds) (the foregoing being referred to as a "2017 Reserve Account Event") unless within sixty (60) days from the 2017 Reserve Account Event the District has either paid to the Trustee (i) the amounts, if any, withdrawn from the 2017 Reserve Account or (ii) the portion of the Delinquent Assessment Principal and Delinquent Assessment Interest giving rise to the 2017 Reserve Account Event are no longer delinquent Assessments; and

More than fifteen percent (15%) of the operation and maintenance Assessments that are directly billed by the District and levied by the District on tax parcels subject to the Series 2017 Assessments are not paid by the date such are due and payable and such default continues for sixty (60) days after the date when due.

Section 607. Provisions relating to Bankruptcy or Insolvency of Landowner.

(a) The provisions of this Section 607 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to at least three percent (3%) of the Series 2017 Assessments pledged to the Series 2017 Bonds Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Series 2017 Bonds were issued by the District, the Owners of the Series 2017 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2017 Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2017 Assessments relating to the Series 2017 Bonds Outstanding, the Outstanding Series 2017 Bonds or any rights of the Trustee under the Indenture (provided, however, Trustee shall be deemed to have consented, on behalf

of the Majority Owners of the Series 2017 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2017 Assessments relating to the Series 2017 Bonds Outstanding, the Series 2017 Bonds Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District hereby agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2017 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2017 Assessments relating to the Series 2017 Bonds Outstanding would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2017 Assessments relating the Series 2017 Bonds Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) The District shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceedings or take any other action in such Proceedings, which is adverse to Trustee's enforcement or the District's claim and rights with respect to the Series 2017 Assessments relating to the Series 2017 Bonds Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Series 2017 Assessments pledged to the Series 2017 Bonds Outstanding, (ii) to deliver to the District a copy thereof, together with evidence of the

filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

(c) Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance Assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2017 Assessments relating to the Series 2017 Bonds Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) or (b)(v) above.

Section 608. Assignment of Collateral Assignment.

The District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2017 Bonds. Such assignment shall not be considered an assumption by the Trustee of any obligations thereunder.

Section 609. Third Party Beneficiaries. This Second Supplemental Indenture shall inure solely to the benefit of the District, the Trustee and the Holders from time to time of the Series 2017 Bonds, and shall create no rights in any other person or entity.

COMMUNITY DEVELOPMENT DISTRICT

BUDGET INTRODUCTION

Background Information

The Carlton Lakes Community Development District is a local special purpose government authorized by Chapter 190, Florida Statutes, as amended. The Community Development District (CDD) is an alternative method for planning, financing, acquiring, operating and maintaining community-wide infrastructure in master planned communities. The CDD also is a mechanism that provides a “solution” to the State’s needs for delivery of capital infrastructure to service projected growth without overburdening other governments and their taxpayers. CDDs represent a major advancement in Florida’s effort to manage its growth effectively and efficiently. This allows the community to set a higher standard for construction along with providing a long-term solution to the operation and maintenance of community facilities.

The following report represents the District budget for Fiscal Year 2018, which begins on October 1, 2017. The District budget is organized by fund to segregate financial resources and ensure that the segregated resources are used for their intended purpose, and the District has established the following funds.

<u>Fund Number</u>	<u>Fund Name</u>	<u>Services Provided</u>
001	General Fund	Operations and Maintenance of Community Facilities Financed by Non-Ad Valorem Assessments
200	Debt Service Fund	Collection of Special Assessments for Debt Service on the Series 2015 Capital Improvement Revenue Bonds

Facilities of the District

The District’s existing facilities include storm-water management (lake and water control structures), wetland preserve areas, street lighting, landscaping, entry signage, entry features, irrigation distribution facilities, recreational center, parks, pool facility, tennis courts and other related public improvements.

Maintenance of the Facilities

In order to maintain the facilities, the District conducts hearings to adopt an operating budget each year. This budget includes a detailed description of the maintenance program along with an estimate of the cost of the program. The funding of the maintenance budget is levied as a non-ad valorem assessment on your property by the District Board of Supervisors.
